Collaborative Collection for St. Vincent DePaul Society

Palm Sunday weekend March 26th and 27th

The St. Vincent dePaul Society for each of our parishes has only one collection annually to support those in need within the Hingham community. Now, more than ever before, we need your financial support and prayers to help those with significant stress on families and seniors living on fixed incomes. Your generosity in the past has enabled the Society to help Hingham residents with overdue rent, gas, electric, water and oil bills.

Your donations are most appreciated.

Thanks in advance for your generosity!

clergytrust

Every Easter, our parish collection benefits Clergy Trust which cares for the health and well-being of our priests in good standing. By supporting the collection, you can show your appreciation and support for the priests who have made and continue to make a difference in your life, the life of our parish, and the lives of countless others in our community. This year more than ever, you support is needed and appreciated. Thank you in advance for your generosity to this collection

Our heartfelt thanks to all who have helped make our Catholic Appeal campaign a success so far. Whether you are attending Mass in person or watching from home, I invite you to join me in supporting the Catholic Appeal. We recognize that many of you may be navigating your own financial challenges but ask for your prayerful consideration of a gift to the 2021 Catholic Appeal at whatever level is comfortable for you. If you have not received a Catholic Appeal letter or email request, donations can be made on line at www.bostoncatholicappeal.org

Every gift, regardless of the size, is meaningful and can make an impact. Your participation in our Appeal is very much appreciated by our parish and the thousands that are served through the Archdiocesan Central Ministries.

This is our Church and when you support the Appeal, you support us!

Jesus answered them, "The hour has come for the Son of Man to be glorified. Amen, amen, I say to you, unless a grain of wheat falls to the ground and dies, it remains just a grain of wheat; but if it dies, it produces much fruit."

WHY DO WE DO THAT?

Catholic Life Explained:

Question:
What is spiritual communion, and do you need to be in a state of grace to receive it?

Answer:
The practice of making a "spiritual communion" dates back several centuries and St. Thomas Aquinas described it as "an ardent desire to receive Jesus in the Holy Sacrament and a loving embrace as though we had already received Him." Traditionally, a prayer of spiritual communion has been used by those who are unable to receive sacramental communion because of health, inability to attend Mass, or who cannot receive communion because of grave sin. This practice has been encouraged by many saints and spiritual writers and most recently Pope Francis encouraged the practice when the realities of the COVID-19 pandemic prevented so many Catholics from taking part in the Mass or receiving sacramental communion.
Although the graces offered in spiritual communion are not the same as those offered in the sacramental communion of the Mass, this practice is still a powerful opportunity to express our desire for union with the Lord and to be united with Christ and the Church, even in an imperfect way.

Projects in memory of Sister Tania

Special thanks to all those who have made donations in honor of Sr. Tania. We soon will be able to install the stained glass window in her memory at St. Paul lower church. Additional funds will be going toward the "Pennies for Peru" initiative.

The "Pennies for Peru" initiative began as an effort to get clean usable water to the people of the Fray Martin village in Peru. Reservoirs have been built to bring water closer to the homes of the village families. A video on the Religious Education page of our website shows the progress made to date. We will be able to continue to support this project through your generosity. Donations can still be made by check made out to St. Paul Parish (memo "Sr Tania projects") or through the link on the St Paul Religious Education page of our website.

A Message from Saint Paul School

This week Saint Paul School students and families organized and recognized a very special Principal Appreciation Day for their school leader, Lisa Fasano. One year ago, the pandemic forced the world and our school to go remote. Through truly enormous and ever-changing challenges, Principal Fasano organized, prepared and lead a remarkable team of teachers and staff to engage in dynamic synchronous learning at the close of last school year and then had the school and staff prepared for full in-person instruction, five days a week for this 2020-21 school year. Principal Fasano oversaw these impressive efforts to safely open the Preschool – Grade 8 programs while trying to maintain many of the cherished traditions and staying committed to the mission and Catholic principles of Saint Paul School. Principal Fasano was recognized with a special blessing from Fr. Tom Nestor, cheers, warm greetings and special gifts from students and heart-felt gratitude from all school families.
