*Dear Parishioners,**What are the Benefits of a Catholic School?*

One of the most important decisions in any parent's life is that of choosing the educational program that will most benefit your child(ren). While public schools offer a solid academic product, there is a distinct Catholic School advantage: the Christian values that permeate the total education program and the lives of the faculty and students. These values shape our students and challenge them to be their best self by looking to Jesus for inspiration and help. Moreover, our Christian environment helps children become polite, self-disciplined, responsible and respectful—indispensable qualities for success and happiness in life.

I would summarize the benefits of an education at Immaculate Conception Catholic Regional School this way:

- A balanced, rigorous curriculum that develops critical thinking skills and a growth mindset
- An emphasis on moral development, respect for self and others, service to the community and leadership skills
- A safe and disciplined environment that seeks to build character through lived Faith
- An exceptionally dedicated faculty and staff who deeply care about their students
- High standards and commitment to each student's success in mind, heart and spirit
- A commitment to STEM (science, technology, engineering & math) education as well as the Arts (art, music, drama & physical fitness)
- Students who are very well prepared for high school and beyond

Immaculate Conception School partners with parents in seeking to prepare our students not only for the next grade, but for life!

This week we celebrate Catholic Schools Week. If you have school-aged children, please consider sending them to Immaculate Conception Catholic Regional School. Yes, it will entail a financial sacrifice, but it's an investment in your son's and/or daughter's future—one you will never regret! If you have any questions or would like more information, please contact our principal, Mrs. Andrea Spaziante at 401-942-7245, visit our ICCRS website at [www.iccatholicschool.org](http://www.iccatholicschool.org) or stop by and see the school at our Open House this Sunday from 11:00 AM to 1:00 PM. God bless you in the week ahead.

*Fr. Wilson*

PS Deacon Raspallo, Deacon Edsall, Deacon Brown and I will bless throats after all the Masses next weekend in honor of St. Blaise. Everyone is welcome to receive this special blessing.

**All Are Invited To Take The Synod Survey!**  
 For a synodal Church  
 communion | participation | mission

Started October 2021 by Pope Francis, the Synod of Synodality (officially titled “For a Synodal Church: Communion, Participation and Mission”) aims to create discussions around broadening participation in the Church. Pope Francis has asked every diocese across the world to engage people for a “listening phase” of the Synod on Synodality. Everyone is invited to take the survey: Catholics, other Christians, and non-Christians alike. We want to know about your experience with the Catholic Church—experiences that have been positive, negative, and everything in between. Let your voice be heard—take the Diocese of Providence’s synodal survey and learn about other ways to participate at:

<https://dioceseofprovidence.org/synod>

The diocese will also hold in-person regional and virtual listening sessions around Rhode Island. Stay tuned for those dates and locations.

For more information or with any questions please contact the diocesan Synod Committee by phone at 401-278-4646 or by email at [faithformation@dioceseofprovidence.org](mailto:faithformation@dioceseofprovidence.org).
