**THE BAPTISM OF THE LORD**

“We are called to live our baptism every day,  
as new creatures, clothed in Christ.”

— Pope Francis

What reference point do you use when making decisions? Many times, impulse takes control and decisions are made based solely on emotion and desire. We all know that these types of decisions can often get us into trouble. When a person has a confident sense of who they are and a real understanding of what is important and of value, the likelihood of kneejerk impulsive choices diminishes. Baptism gives us what we need to make well informed and purposeful decisions. By this simple gesture, God claims us as His own and provides us with the identity and purpose we need to properly live life.

It is tremendously reassuring, when we truly embrace this revelation and realize that we no longer have to wonder about the purpose of our lives or struggle to find our way. The answer of who we are in God has been given to us. We no longer have to fumble around, trip over ourselves or walk aimlessly about. Issues surrounding the sacredness of life, the meaning of death, the protection of those most vulnerable, care for the weak and the poor, offering hospitality to those in search of a home, the purpose and proper place of work, how to create a just social order, caring for creation, and understanding our roles as heralds and stewards are just a few of the wonderful gifts baptism brings. When we make decisions based on things such as these core Gospel truths we really act as Christ himself, revealing to others the new creations that we are. This is how we live our baptism.

It is difficult to walk against the tide. Yet, that is precisely what baptism calls us to do. Although we are sinners, in need of mercy and far from perfection we are called to order our life and make decisions based upon the wisdom and guidance of Almighty God. He alone is the one who can claim us as His sons and daughters. Standing up for our principles will not make us popular. But who ever said Christianity is a popularity contest? Baptism calls us to stand up for that which goes against the grain of secularism. Standing in line with other sinners, we have our anchor to steady us in the tempests of life and God is very pleased. Forge ahead. There is nothing to fear. ©LPi

**VOCATION TO THE PRIESTHOOD**

Please continue to remember our own Brian Daley in your prayers as he explores his vocation into the priesthood.

**WALK WITH HAITI SCHOLARSHIP FUND**

This is the 24th year of our parish twinning with Notre Dame de Lourdes in Haiti. We provide funding to allow 40 children to attend school and 13 others to attend vocational courses through our scholarship program.

The average yearly cost for tuition and text books is \$650 per child. Gift card sales subsidize some of the tuition costs and we are asking again for pledges for the remaining \$450, but any pledge amount is greatly appreciated. Thank you for supporting our parish twin and giving a child a chance in life. For more information see: [www.saintpioct.org/walk-with-haiti](http://www.saintpioct.org/walk-with-haiti).

**WHERE ARE THEY NOW?**

Youdeline Dorizan has been in our scholarship program since the year 2000. She graduated high school in 2015. After high school she wanted to work in the growing tourist industry and continued in our graduate program, going to school to get qualified. When travel stopped, so did the work, through no fault of her own. She called up and asked in the politest way if we could help send her to a course on administration, which we are doing. She will be good at this since she is organized and friendly.

Youdeline is a person of good cheer, always ready with a joke and infectious smile. She is a very active parishioner at Notre Dame de Lourdes, whether it's helping hand out food or reading to children, she is a person known to always lend a helping hand.
