Did you know...Child abuse can occur in every culture and every socio-economic demographic Peer reviewed research, especially that of the past 30 years, repeatedly shows this to be true. This same research indicates that the vast majority of child abuse occurs at the hands of someone known to the victim. Those who seek to do harm to children will pursue opportunities that provide access to children and may even ingratiate themselves into the home, You can protect children by respecting the safe environment protocols established at youth serving organizations. More importantly, you can implement many of these protocols in your home and be ever observant and vigilant in al public and private settings.

Thomas answered and said to him, "My Lord and my God!"
 Jesus said to him, "Have you come to believe because you have seen me? Blessed are those who have not seen and have believed."

St. Pedro de San José Betancur | April 25

Central America's first saint, St. Pedro de San José Betancur (1626-1667) was born a poor shepherd in the Canary Islands. His family lands were seized because of debt, and he worked as an indentured servant until his early adult life when Pedro left his home to travel to Guatemala. His money for the journey ran out long before he arrived. He was destitute when he did arrive and was forced to join the bread line the Franciscan Friars had for the poor.

In 1655, he joined the Third Order of St Francis. Pedro began to serve the poor, the enslaved, immigrants, abandoned children, anyone that needed him. In 1658 he was given a hut which he made into a hospital for the poor. This small start grew into a shelter for the homeless, a school for the poor, an inn for priests, and several small chapels in poor areas. He was supported by many patrons and was joined in his work by both men and women, who became the Bethlehemite Brothers and the Bethlehemite Sisters. Pedro prayed for the souls of those in purgatory, walked through the streets of rich neighborhoods ringing a bell and calling the wealthy to repent, and ministered to prisoners. Most accounts credit him with beginning the tradition of *posadas*, a procession in which people representing Mary and Joseph ask for lodging from their neighbors. This tradition continues today in Mexico and Central America. Because of his work with the poor and marginalized Pedro is often referred to as the "Saint Frances of the Americas". St. Pedro was canonized on July 30, 2002, in Guatemala City, Guatemala by Pope John Paul II.

Almighty God and Father, look with love upon our men and women in uniform and protect them in their time of need. Give them health and stability and allow them to return to their loved ones whole and unshaken. Be with their families and sustain them in these uncertain times. Grant strength and peace of mind to the Veterans who have given their best for the country they love. Support them in infirmity and in the fragility of old age. Teach us to remember their sacrifices and to express our gratitude. Manifest your tender care to those in the Military Academies who prepare for future service and to those who serve our Nation far from home.
