## From the Pastor's Desk

Os grandes momentos e acontecimentos da vida estão marcados pelo banquete, a refeição melhorada a festiva. Celebramos com o banquete o aniversário natalício, o Baptismo, a Primeira Comunhão, a Profissão de Fé, o casamento e a Ordenação Sacerdotal.

Num banquete, para além da alegria do convívio festivo, toda a espécie de fome e sede são saciadas.

A Igreja convoca-nos, em nome de Deus, para o Banquete Semanal de cada Domingo e Festas.

Que acolhimento temos dado a este convite do Senhor que deseja sentar-nos à sua mesa para nos tornar felizes?

We are now in the midst of Fatima Prayer Week. If you have not yet joined us please consider doing so. The more we pray together the more our collective faith increases. How much more we need our faith in these trying times! Without our faith and the strength, it brings, how easily we could sink into the mire of disillusionment and depression.

If we could time travel back to 1917 we would recognize the condition of the world at that time as being quite similar to our own today. The world was at war and disaster seemed to be looming everywhere. Portugal was in a state of chaos and abject poverty when Our Lady appeared, not to the wealthy or powerful, but to three peasant children. How unlike our own are the ways of God! Her message to the children was one of hope yet it was not sugar coated. It was also a message of warning that the world must return to God to avert future disaster. The world did not heed that message nor it now. History has related a progression of human misery as Satan's influence in the world has increased. What else can we expect than the world and our own society in its present state?

The good news is that Jesus has triumphed over evil and in the end goodness wins. We place our faith in the cross which brought a temporary death but yielded to the victory of everlasting life. Mary's faith never wavered as she stood by the cross and her message is that ours shouldn't either. Faith and prayer hold the real solutions to these troubled times.
