Dear parishioners and friends of St. Joseph Parish,

I am writing to inform you of significant parish staff transitions as we begin the new year. First, Mrs. Kathee Meerman will be departing from our team after 15 years of devoted service to our community of faith.

Kathee will be focusing full-time on her family, especially now that she is a grandmother. She will remain an active parishioner with her husband Robert, and her departure has been an empathetic and relational process.

I stand in a debt of gratitude for Kathee's loyal service to me as pastor, her knowledge and love of our Parish, and her tact and discretion in addressing pastoral matters. She was a friendly presence in our Office and the welcoming voice of our pastoral staff on the phone. She will be greatly missed, and a celebration of her ministry of service is being planned. Please contact the Rectory Office if you would like to volunteer your time and culinary skills to help with this celebration.

In the words of the psalmist, God watches our going out and our coming in, so we ask God's blessings upon Kathee.

In terms of our new beginnings, we welcome this week Mrs. Anne Leclercq to our pastoral team as our Parish Life Coordinator. This new position is intended to help us to grow in healthy and constructive ways as a vibrant Catholic parish emerging from a challenging two years in which we were all impacted by the pandemic.

Anne has been an active member of St. Joseph Parish for 30 years. She serves in many parish ministries and is currently the Volunteer Coordinator and the Respect Life Group Coordinator. She is also a member of the Finance Council and facilitates the Parish Council.

Anne worked for many years at PepsiCo, managing Treasury operations and supporting the beverage division operations. She is a graduate of Bryant University and received the MBA degree from Fordham University. She is currently completing the Villanova University Master of Science in Church Management.

Please join in warmly welcoming Anne to our pastoral team as we ask God's blessings upon this new beginning for Anne and our community. Anne's God-given gifts and talents are a distinct asset to our Parish, and we are humbled that she has answered the call to be of service at St. Joseph Parish.

Those who have attended Mass during the Christmas season may have seen Mr. Brendan Gleeson who graciously served at numerous Christmas liturgies. Brendan offered to help us during the period

of transition in our pastoral staff while he is home from Bucknell University for vacation. We are most grateful for his thoughtfulness and generosity. He is a self-starter, and his love for the Roman Catholic Church is clearly at the heart of his mission.

Brendan was born in Danbury and lives in Ridgefield with his parents. He attended Ridgefield High School and was awarded a scholarship for Army ROTC in 2018. In the following two years he obtained an Associate's degree and was commissioned as an Army officer in the Pennsylvania National Guard at the age of 20. He is a junior at Bucknell and is finishing his Bachelor's degree in Political Science.

We are truly blessed as a Parish with the presence of each of these faithful Catholics in our lives and in service to God and neighbor. Please keep them in your prayers as we make this transition on our pastoral staff. The Holy Spirit is clearly at work and God's blessings are upon us.

A healthy, holy, and prosperous new year to you and your families!

Devotedly in Christ,  
**Rev. Samuel V. Scott**  
 Pastor

The General Instruction of the Roman Missal (GIRM), no. 373, designates January 22nd as a particular day of prayer and penance, called the "Day of Prayer for the Legal Protection of Unborn Children": "In all the Dioceses of the United States of America, January 22nd (or January 23rd, when January 22nd falls on a Sunday) shall be observed as a particular day of prayer for the full restoration of the legal guarantee of the right to life and of penance for violations to the dignity of the human person committed through acts of abortion."

As individuals, we are called to observe this day through the penitential practices of prayer, fasting and/or giving alms.

We want their loved ones to know that we are here to support them. Please continue to pray for all deceased parishioners, their families, and their friends.

### Saint Joseph Music Notes

Today's Gospel reading, reflected in the text of the Communion antiphon, recalls another stage of Christ's Epiphany, His self-proclamation in the world to all His people. Having celebrated Christ's first Epiphany to the Magi, then His Baptism, wherein the Lord's voice from Heaven proclaimed Him as His beloved Son, we now celebrate Christ's first public miracle, wherein His power and glory was first manifested to all humanity. Christ's public miracles still occur today; the Eucharist, the gift of His own Body and Blood on the altar, is an even greater miracle than the changing of water into wine at Cana. Therefore, in the words of today's Communion hymn, let us raise "Salvation's cup of blessing" in this Eucharist, in praise of the Lord Who has given such great benefits to us all.

Culture of Life - Reflection

The Catechism of the Catholic Church  
Abortion

As we begin a new year and continue our efforts to end abortion, let us reflect on the what our Catechism says about the issue and the overall protection of the dignity and rights of all human beings.

Paragraph #2270 Clearly states: "Human life must be respected and protected absolutely from the moment of conception, from the first moment of his existence a human being must be recognized as having the rights of a person - among which is the inviolable right of every innocent being to life."

*'Before I formed you in the womb I knew you, and before you were born I consecrated you.'*

Paragraph #2271 states: "Since the first century the Church has affirmed the moral evil of every procured abortion. This teaching has not changed and remains unchangeable. Direct abortion, that is to say, abortion willed either as an end or a means, is gravely contrary to the moral law."

*'You shall not kill the embryo by abortion and shall not cause the newborn to perish.*

*God, the Lord of life, has entrusted to men the noble mission of safeguarding life, and men must carry it out in a manner worthy of themselves. Life must be protected with the utmost care from the moment of conception: abortion and infanticide are abominable crimes.'*

Please pray this week for our public servants and elected officials: *May God grant them the humility, wisdom, and courage to defend all human life.*
