January 2 ~ Feast of the Epiphany: The readings today stress the importance of light – **Christ's light**. Isaiah states, “. . . upon you the Lord shines.” The Magi followed the light of a star that led them to Christ, the Lord, an encounter that changed their lives. Do you believe that the Lord looks upon you and shines forth from you? Has each encounter you have had with Christ brought about a change in you, in your way of living? When you humbly and honestly follow Christ and live in his light, “nations shall walk by your light.” People will notice something different about you. So on this Epiphany - let your Christ Light shine!

# Thank you for your generosity!

During the holiday season, we are so thankful to you for your generosity and kindness to both our toiletry and winter clothing drive. Thanks to you, 65 toiletry bags went to Transitions & Wyman shelters. In total, we collected 241 gifts bags! The remaining toiletry bags along with the winter clothes we collected and some loose items will also go to the Engagement tent, a men's shelter at 112 Southampton St. People who go to the men's shelter can receive medical attention, lunches and clothes there. Some other winter clothes went to St. Mary's Center for women and children while the remaining children's items will be donated to a shelter for children. We are overwhelmed with gratitude to you for your compassion for our neighbors in need during the Christmas season!

## Saint Elizabeth Ann Seton Biography

Mother Seton is one of the keystones of the American Catholic Church. She founded the first American religious community for women, the Sisters of Charity. She opened the first American parish school and established the first American Catholic orphanage. All this she did in the span of 46 years while raising her five children. Elizabeth Ann Bayley Seton is a true daughter of the American Revolution, born August 28, 1774, just two years before the Declaration of Independence. By birth and marriage, she was linked to the first families of New York and enjoyed the fruits of high society. Reared a staunch Episcopalian, she learned the value of prayer, Scripture and a nightly examination of conscience. Her father, Dr. Richard Bayley, did not have much use for churches but was a great humanitarian, teaching his daughter to love and serve others.

At 19, Elizabeth was the belle of New York and married a handsome, wealthy businessman, William Magee Seton. They had five children before his business failed and he died of tuberculosis. At 30, Elizabeth was widowed and penniless, with five small children to support. While in Italy with her dying husband, Elizabeth witnessed Catholicity in action through family friends. Three basic points led her to become a Catholic: belief in the Real Presence, devotion to the Blessed Mother and conviction that the Catholic Church led back to the apostles and to Christ. Many of her family and friends rejected her when she became a Catholic in March 1805. The thousand or more letters of Mother Seton reveal the development of her spiritual life from ordinary goodness to heroic sanctity. She suffered great trials of sickness, misunderstanding, the death of loved ones (her husband and two young daughters) and the heartache of a wayward son. She died January 4, 1821, and became the first American-born citizen to be beatified (1963) and then canonized (1975). She is buried in Emmitsburg, Maryland.
