### **Stewardship Is Our Way Of Life**

*Tithing (Stewardship) is an important way to consecrate ourselves to the Lord. Our gift is made holy because we give thanks and praise to God without strings or conditions.*

### Stewardship of Treasure

*All are asked to prayerfully consider tithing and return 10% of our income to the Lord (5% to the parish, 5% to God's other charities) in gratitude. The spiritual practice of tithing disposes us to place God first in every area of our lives!*

### **"Tithing—Putting God First" - Stewardship**

*"For where your treasure is, there also will your heart be." Luke 12:34*

Jesus encourages us to build up our treasure in heaven. The world encourages us to build up our treasure in real estate, investments, and material goods. How much time are you investing in building up a worldly treasure? How much time are you investing in building up a heavenly treasure? To invest more in the things of heaven, you must let go of some of the things of this world.

*NINETEENTH SUNDAY IN ORDINARY TIME*

8/7/2022

In the course of the years, there has been greater and greater appreciation of St. Clare and her radical fidelity to St. Francis' vision of the Gospel. Francis confronts his father in the town square and returns everything including his clothes. He repudiates his position as a wealthy heir to a wealthy family. Francis and Clare arrange a sign on Palm Sunday for her to sneak out of her house and meet him at the Little Portion Chapel in the dark of night. She is nobility from both her parents' side. Finding her gone her father and uncles come armed to the teeth— to disperse the friars and demand she return home. There is tugging and pulling, eventually her head covering comes off revealing her shaved head. She would not make a good match and increase the power of their house. Later her sister and mother join her as well. The uncles go down fighting the whole way- Agnes clings to the altar when they try to drag her home

St Clare was given some fundamental propositions for the Poor Women of Assisi (later Poor Clares). They were to own nothing in their own name. They would not accept dowries. They would be cloistered and dedicated to prayer. They would embrace a poverty that had no guarantees. Several Popes tried to convince her and the community to accept ownership of their places, to have streams of income. She wrote, "I need to repent of my sins but not of my desire to live the Gospel."

In our Church we have a stained glass window of Clare with the Blessed Sacrament in a monstrance. At her feet is a Saracen or Muslim soldier. Fredrich II the Holy Roman Emperor and King Sicily and Naples was a brilliant and ambitious man- he was called "Stupor Mundi" the "marvel of the world". He spoke 5 languages. He was a cutting edge scientist. He also wanted to unite all of Italy under his kingship and a part of the Holy Roman Empire. Rome and the Papal States stood between him and his ambition. His army was working its way when they ran into Assisi hiding behind her walls. The advance troops with Muslim mercenaries from Sicily. Clare tells the town elders not to be afraid. She stood on the parapet of the town walls with the Blessed Sacrament and Fredrich armies withdrew.

She is also the patron of television and film. She became fairly feeble toward the end of her life. She could get to the daily convent Mass. However she was given the extraordinary blessing of seeing on the wall of her cell what was happening at Mass.

The rule that the Poor Clares had submitted to 4 different Popes. On her death bed it was approved, the Poor Clares would have the privilege of perfect poverty- owning nothing at all. It was St. Francis' vision but arranged by St. Clare's hand. It was the first Rule of Life for a religious community written by a woman.

Her feast day is August 11. We will have a special evening prayer service on August 10<sup>th</sup>.
