Stewardship Is Our Way Of Life

Tithing (Stewardship) is an important way to consecrate ourselves to the Lord. Our gift is made holy because we give thanks and praise to God without strings or conditions.

Stewardship of Treasure

All are asked to prayerfully consider tithing and return 10% of our income to the Lord (5% to the parish, 5% to God's other charities) in gratitude. The spiritual practice of tithing disposes us to place God first in every area of our lives!

"Tithing—Putting God First" - Stewardship

"Everyone of you who does not renounce all his possessions cannot be my disciple." Luke 14:33

When we first hear this statement, it seems that Jesus is making an unrealistic demand upon us. How can we renounce all of our possessions? We need them to live. However, what we must renounce is the belief that they belong to us. Everything that we have belongs to God alone. All of our resources are entrusted to us not only for our own use, but also so that we can help others. Once we renounce the idea that we possess or are entitled to anything, it is much easier to share the many gifts that God has given us. Then we truly are His Disciples.

Stewardship of Time and Talent

Spending Time with God in Prayer

September 4, 2022

The plans that God has for us involve sacrifice. He didn't make us so that we would go into survival mode avoiding risk. In the Gospel Jesus teaches us that we are going to have to pick up a cross if we are going to follow Him, if we are going to join Him on his way. The cross was a grim instrument of the Roman Empire used to crush resistance. The slave revolt of Spartacus ended with something like 20,000 people hung on crosses along the Appian Way and other main roads into Rome. In Jesus time there was no doubt that the cross meant death. But Christ transformed it into an image of sacrifice - a holy self-giving. The teaching confronts us with the question what is my cross? - what is my sacrifice?

I don't know about you but early on I was convinced that I was destined to great things. In third grade we learned how to knit. Everyone would knit a little something. In those days it was particularly cool to have a knit cap or ski cap that was 2 feet long so it could fly behind you. (Snoopy had that sort of hat when he ice skates in "Peanuts"). I found a circular needle in my mom's knitting bag. Maybe someone told me that yarn stretches the more you work it, maybe I didn't listen, my cap could have fit over the head of an Easter Island statue. In fourth grade it was making a cake - my first one would be in the shape of a castle- the frosting was too stiff, and I tore the cake apart when I tried to spread it.

Jesus reminds us that our self-sacrifice should be reflective. We may be asked to make a sacrifice but like a builder and his tower to do an inventory first of what we have or have not. Sometimes we see a chance to do something holy, something involving a sacrifice. But it won't come together. Sometimes relationships need to develop, and some maturation takes place before God draws people into marriage vows. Sometimes children come more slowly, and parenthood has a delayed fuse. Friends of mine were surprised how long it took to enter the Capuchins- 2 years, then 6 years before ordination.

In the first book of wisdom it reminds us that God's plans for us are shrouded in mystery. Things may seem daunting but that doesn't mean God won't work with us on the way. We have to do our best to examine our resources- those within ourselves; things like skills or gifts, also the strengths that are in relationships, and material resources. Nothing will be wasted but everything will eventually be asked of us. Christ asks us to follow Him, and our Way of the Cross will unfold.
