## Stewardship Is Our Way Of Life

Tithing (Stewardship) is an important way to consecrate ourselves to the Lord. Our gift is made holy because we give thanks and praise to God without strings or conditions.

### Stewardship of Treasure

*All are asked to prayerfully consider tithing and return 10% of our income to the Lord (5% to the parish, 5% to God's other charities) in gratitude. The spiritual practice of tithing disposes us to place God first in every area of our lives!*

### **"Tithing—Putting God First" - Stewardship**

*"May our Lord Jesus Christ himself and God our Father, who has loved us and given us everlasting encouragement and good hope through his grace, encourage your hearts and strengthen them in every good deed and word."*  
Thessalonians 2:16-17

There are two important lessons here. First, we are called to be generous with our encouragement and hope with others. As God shows us mercy, we must be merciful to others. Second, joy is contagious! The joy we receive from doing good works not only strengthens us, it encourages others as well. Share the joy of living your faith whenever you can.

## Stewardship of Time and Talent

### Spending Time with God in Prayer

*"May you always experience the joy that comes from putting Christ at the center of your lives."*

— Pope Emeritus Benedict XVI

Nov 6, 2022

Last year about this time we connected with a family from Ecuador who were applying for asylum. They had questions about life in Middletown. There are fundamental differences between life at the equator and New England. Did it always get so very dark so early? Could it get any colder? Were all the trees dying- the ones losing their leaves? I told them it would get darker, colder, and all the leaves would fall off. But that winter had its beauty and spring would be glorious.

We come to the last weeks of the Church's liturgical year and we enter into dark themes. Today we jump into a meditation on death and the afterlife. We open with Maccabees. It is a dark time. Alexander the Great has conquered the known world from Greece to Northern India and south to Egypt. He dies suddenly and his kingdom is split into several parts. There is a concerted attempt to spread Hellenistic culture as well as government. On one hand that meant the entertainments of the coliseum and the theatre, the sophistication of Greek philosophy. On the other hand, there was no patience for resistance and religious consideration. When the Jews staged revolt against the Hellenistic ruler Antiochus Epiphany, he responds by desecrating the Temple- smearing pigs blood on the walls and erecting a statue to himself. Then he sends his troops out to have Jews forswear their faith by eating pork.

It is a dark time. The Maccabee family resists. For those who have died we confidently pray that they will receive the greatest gift of life and light. We who remain should be heartened knowing that our own inevitable death is not the last word but rather an opening to the best gift.

### Amazing Challenge Soup Supper

**Thursday, November 10th, 4:30 – 7:30 PM**

**Cross St. AME Zion Church, West St., Middletown.**

It has been three long years since our last soup supper! We have missed the firemen and firewomen, creating smiles, laughing, and perfecting at our expense (or pleasure) their award winning chili. We have missed the guests from our community who took

up a ladle to serve soup to hundreds of fans and friends of St. Vincent de Paul Middletown. This year, we will be joined by Mayor Ben Florsheim, Mr. Vincent Capece from Middlesex Health, Father Martin from St. Pius X Church, Shawonda Swain, the new President of the United Way and a wonderful host of other friends and community leaders. Rev. Moses Harvill and the congregation of Cross St. AME Zion church have graciously offered their beautiful meeting room for our soup supper. We need your support! The soup supper is free to attend, and it is a great time. When you come, bring a donation for whatever you can afford, and put it in our donation jar. Then experience the joy of friendship & community over a cup of hot soup.

### Thanksgiving Basket Donations

With Thanksgiving fast approaching we are reminded of all the blessings that God has bestowed on us. St. Pius has been asked to participate in the **Middletown Community Thanksgiving Project's** effort headed by Amazing Grace. As part of this effort St. Pius has

been asked to provide packages of *stuffing*. (We will be delivering the stuffing on Friday, November 18th) In addition to this community effort we will be preparing baskets for several families within our own parish. All of your generous donations will be collected in our ongoing *We are all in this Together* Program

### Bereavement Day of Prayer

The Diocesan Catholic Family Services Office is sponsoring a workshop for the bereaved entitled: ***Praying Your Goodbyes*** on **Saturday, November 12** from 10 A.M. to 1 P.M. at the Cathedral of Saint Patrick Hall, 213 Broadway, Norwich, CT. It will include time for private reflection, prayer, and journaling and give participants suggestions on how to navigate the upcoming holidays and discover ways to grow through the experience of their loss. There is no cost, but registration is required by November 8 by contacting Mary-Jo McLaughlin at Catholic Family Services, 860-848-2237, ext. 312 or by email at [mmclaughlin@norwichdiocese.net](mailto:mmclaughlin@norwichdiocese.net).

### The Eucharistic Revival- The Eucharist, did you know?

If God is invisible, how do we experience God's presence? Perhaps Pope Benedict XVI can be our guide here. In his encyclical *On Christian Love* (2005), he explains that while it is true that "no one has ever seen God as God is, yet God is not totally invisible to us; God does not remain completely inaccessible. God has become visible in Jesus. God is

also visible in a number of ways. In the love story recounted by the Bible, God comes towards us and seeks to win our hearts."

The religion of the Bible is always dominated by the experience, the memory or the hope of the divine presence. We know about God's presence with us through the biblical story of salvation- God's efforts to be with us so that the relationship between God and ourselves that was established at creation, and then broken down through sin, could be restored. Through this story, we learn of God's desire for a covenant community in which all who believe and dedicate themselves to God and to God's ways can live as God wanted from the beginning. *Used with permission from God's Real Presence, by Steve Mueller.
