Join Us For
*October Rosary
Devotions*

Mondays

October 18th

October 25th

at 7pm in the church

The month of October each year is dedicated to the Most Holy Rosary.

This is primarily due to the fact that the liturgical feast of Our Lady of the Rosary is celebrated annually on October 7th. It was instituted to honor the Blessed Virgin Mary in gratitude for the protection that she gives the Church in answer to the praying of the Rosary by the faithful. The practice of dedicating the entire month of October to the Holy Rosary developed toward the end of the last century. Pope Leo XIII (papacy: 1878-1903)

strongly promoted the increase of devotion to the Blessed Mother by encouraging the constant use of the Rosary.

In this month of October, let us consider this beautiful prayer of the Rosary as a means that we too can use in order to draw closer to Jesus and Mary by meditating on the great mysteries of our salvation.

From the Desk of Mrs. Izzi

Now that it is mid-October the new school year is truly in a routine. Trimester One STAR Testing is behind us and results have been sent home to parents in print. If you have not already returned yours, please do so this upcoming week.

It is also very exciting this Fall as co-curricular programs we were unable to offer last year have now been reintroduced. Students have been participating in Chess as well as Music lessons after school! The sound from them doing all of this is gleeful. Our PTO Board is also planning our Trick or Trunk at the end of this month as well as a Dine-Out at *Uno's* on Wednesday, October 20th. Take a night off from cooking and bring the enclosed ad to *Uno's* which is a fund raiser for the school and a great community builder too.

Recently the House of Glass installed safety windows in each classroom as well as the library. This was something we arranged for during the summer but due to a delay in shipment of materials the project was not completed until the first Saturday in October. The windows allow for an easy exit in the event of an emergency if the entrance as well as the side door were blocked. I want to thank Father Andrew as well as our Maintenance Person, Mr. Dennis Greenless, for their time with this project. Executing the installation of the new windows and continuing to make other improvements demonstrates that we have a commitment to make our facility a safe environment for our pupils.

Have a wonderful week!

From the Desk of Mrs. Caton

Registration open for NAMI Family-to-Family course

NAMI Rhode Island (the local chapter of the National Alliance on Mental Illness) will offer a **Family-to-Family** course beginning **Tuesday, October 19, 2021** at 6:30 PM. This is a free and virtual 8-session educational program for family, significant others and friends of people with mental health conditions. It is a designated evidenced-based program. Research shows that the program significantly improves the coping and problem-solving abilities of the people closest to a person with a mental health condition.

NAMI Family-to-Family is taught by trained family members who have personal family experience and includes presentations, discussions and interactive exercises.

What You'll Gain

NAMI Family-to-Family not only provides information and strategies for taking care of the person you love, but you'll also find out that you're not alone. Recovery is a journey, and there is hope.

The group setting of NAMI Family-to-Family provides mutual support. You will experience compassion and reinforcement from people who understand your situation. Sharing your own experiences often helps you and others in your class. In the program, you'll learn about:

- How to solve problems and communicate effectively
- Taking care of yourself and managing your stress
- Supporting your loved one with compassion
- Finding and using local supports and services
- Up-to-date information on mental health conditions and how they affect the brain, - How to handle a crisis
- Current treatments and therapies
- The impact of mental health conditions on the entire family

For more information and/or to register for this evidence-based program, visit namirhodeisland.org, call 401-331-3060 or email Michael O'Rourke at morourke@namirhodeisland.org

GRIEF and ANXIETY SUPPORT

While we are not presently meeting at the church in a group setting, our parish bereavement ministry is still available to anyone who needs to talk or express their feelings.
