We are most grateful to all our parishioners and visitors who support our collaborative. It is wonderful to see people coming to Mass and worshipping as a faith community. It is through your support that we serve our faith community. We thank you.

As a reminder, the offertory basket will be located near the back of the church near the main entrance. Please leave your offertory gift in the basket as you enter church. Ushers will be there to assist you. There will **NOT** be a collection during the Preparation of the Gifts. You may also continue to make your offertory gifts through Online Giving or drop them off at or mail them to the Pastoral Center. Below is a summary of recent offertory and other donations:

May 16-22 (Masses May 14/15)

Please also remember our St. Vincent DePaul Society and consider leaving a donation in one of the boxes as you leave the church. They serve those in need year round right here in our community. Thank you!!!

When our parish reaches its goal of **\$39,932.82** in paid pledges, a portion of the additional funds received will be returned to us for use in our parish. GOSPEL MEDITATION

ENCOURAGE DEEPER UNDERSTANDING OF SCRIPTURE

Unity and diversity can exist together. Our western minds have a grave difficulty seeing unity without conformity. We tend to believe that unless everyone believes the same thing, assents to the same body of truths, styles, and opinions, unity is not possible. Jesus, in today's Gospel, expresses a tenderness and an intimacy that the disciples actually can witness. This same tenderness and love are also reflected in his desire for unity and oneness. Jesus passionately wants all to be one. It is very clear that the success of Jesus' mission and the advance of the Gospel rises or falls with whether this unity is achieved. And it is a unity that is achieved around a person and not particulars.

Our church is extremely divided. These divisions all center on various theologies, philosophies, structures, and styles. We allow these particular concerns and interpretations, valid as many can be, to drive wedges between us and put us at odds with each other. They enrage us and cause us to lash out at other members of the Body of Christ. Differences are bound to exist in any group. We are unique and diverse people. Staunchly clinging to particular agendas

and ideologies while waving the "we're right, you're wrong" banner as we forge ahead in battle does little to advance the real mission of Christ. We are perceived as weak, fractioned, self-focused and serving, and lacking empathy and love. How can the work of salvation be accomplished like this? We sacrifice our credibility. For what?

"I am the Alpha and the Omega, the first and the last, the beginning and the end." These words describe exactly who the glorified Christ really is. Jesus wants us to see this glory! Believe this! This is the unifying

principle that draws the Body of Christ together as one, not our particular preferences of worship! We give too much power to our preferences, and all too easily forget that the real mission of Christ is much more than that! If we can work at truly loving each other as members of Christ's Body despite the differences that can so quickly divide us, then maybe we'll be a bit more convincing to those who do not believe. The Risen Christ comes to us through the Eucharist. It doesn't matter where or how. Gather wherever you can and receive. We cannot substitute Jesus' passion with our own. We are one.

Jesus prayed saying: "Holy Father, I pray not only for them, but also for those who will believe in me through their word, so that they may all be one, as you, Father, are in me and I in you, that they also may be in us, that the world may believe that you sent me."

- Jn 17:20-21

Jesus told his Father that he wants you to be one with him and his Father. Jesus wants all his followers to be one with him. When you do as Jesus did, you are being one with the Father and the Son. Jesus was kind to others. He helped them when they needed help. Jesus wants you to treat people like you would treat him. What you do to others, you do to him.

PRAYER

Jesus, help me be kind and loving to others.

Quality Catholic PreK-8 Education!

St. Pius V School is a co-educational Catholic PreK-8 elementary school located in Lynn, Massachusetts. As part of St. Pius V Parish, our school welcomes and educates children in the greater Lynn community. Education at St. Pius V School is a "Lived Experience" and focuses on developing the whole child according to the gospel of Jesus Christ. The school provides a unique, comprehensive, quality education with particular emphasis on Catholic values, fundamental skills, critical thinking, technology, and the fine arts. The administration and faculty are skilled, dedicated, and professional educators. The curriculum promotes personal responsibility, respect for diversity, family involvement, a spirit of unity, and Christian stewardship. The school environment is safe, clean, and comfortable. At St. Pius V School, we believe that our loving God blesses each child with special gifts and talents. Learning occurs in an atmosphere where each child is encouraged to do his/her best in order to reach his/her full potential in school and in life. The school recognizes that parents are the primary educators of their children and encourages parental participation in the life and activities of the school community. The St. Pius V School Community adds immeasurably to the stability and integrity of our parish, the wider community, the city of Lynn, and beyond.
