We are most grateful to all our parishioners and visitors who support our collaborative. It is wonderful to see people coming to Mass and worshipping as a faith community. It is through your support that we serve our faith community. We thank you.

As a reminder, the offertory basket will be located near the back of the church near the main entrance. Please leave your offertory gift in the basket as you enter church. Ushers will be there to assist you. There will **NOT** be a collection during the Preparation of the Gifts. You may also continue to make your offertory gifts through Online Giving or drop them off at or mail them to the Pastoral Center. Below is a summary of recent offertory and other donations:

When our parish reaches its goal of **\$39,932.82** in paid pledges, a portion of the additional funds received will be returned to us for use in our parish. GOSPEL MEDITATION

ENCOURAGE DEEPER UNDERSTANDING OF SCRIPTURE

St. Thomas Aquinas reminds us that, “Three things are necessary for the salvation of man: to know what he ought to believe, to know what he ought to desire, and to know what he ought to do.” Everyone is called to work toward their salvation, which is ultimately union with God. Those who take this call seriously must embark upon a journey inward to the deepest recesses of their soul. In the adventure and wonder of that journey, we work out the details of our union with our Beloved. We cling to what we need to believe, remain firm in what we truly desire, and are guided by what we know we have to do. Once we know that our goal is to be one with our Creator, life becomes an exciting expedition to pursue that end. We make necessary preparations, follow the map, and remain on course.

Whenever we really want something, we put our entire selves into achieving it. Being fully invested in our labor, we willingly work extra hours, devote an abundance of energy and effort, and remain vigilant for beneficial opportunities that may come our way. We certainly do not passively sit

by doing nothing! Such an attitude leads to laziness and the accomplishment of little. Worse yet, some look to others to do the work for them, hoping to reap the benefits of another's efforts. Conscientiousness and diligence are the only means to success.

For the one who eagerly awaits the day when they can be fully with God, life becomes a joyous adventure indeed! Alert, ready, focused, convicted, and willing to be a servant they constantly watch and prepare themselves for meeting the Lord. Loving

the journey and being in love with their Creator, their lives become joyful witnesses of love and service. They are secure in their hope, confident in their faith, and perfect in their love. Never looking for recognition or gratitude, they stand as gentle inspirations of what the Holy Spirit can do in the hearts of those who believe. Because we do not know what tomorrow will bring, we stand ready to be used as God wills and run eagerly toward Him when He comes. How much do we desire to experience the joy of salvation?

“Be sure of this: if the master of the house had known the hour when the thief was coming, he would not have let his house be broken into. You also must be prepared, for at an hour you do not expect, the Son of Man will come.” - Lk 12:39-40
