Christmas, 2021

Dear Church,

Merry Christmas! On behalf of our Priests, Deacons and Staff, I sincerely hope that the remembrance of Christ's birth brings you much peace and hope. As we celebrate Christmas, I would like to thank you for your presence and prayers with our parish family of Saint Patrick. I extend a special welcome if you are joining us for the first time, if you are visiting from any other places or faith traditions, or if you do not worship with us on a regular basis.

Just as the shepherds were led to a humble stable in Bethlehem to worship the infant Jesus, so have we been led to be together at this time and in this place to sing with the angels: *Glory to God in the highest and peace to all people on earth!* I hope that God's presence will be made known to you not only today but every day.

Know that we pray for you, your loved ones and your intentions. Thank you for lifting us in prayer as well. May you have the grace to find happiness and joy this Christmas and throughout the New Year... and may we meet each day in our prayers!

In joyful hope,

Fr. Mario

Dear Church,

The Archdiocese of Boston has come out with a new mandate in light of the spiking numbers of COVID cases and the likely increase in those numbers in the upcoming holiday season. Effective December 18/19 until January 17, 2022 Cardinal Seán is mandating that throughout the Archdiocese all people attending public Masses, including weddings and funerals, wear masks.

~ Fr. Mario

Just a reminder: The parish doors are locked between 2:15 & 3:15 pm daily when school is in session. We apologize for any inconvenience.

Lois Rello, Joseph Raia, Sandra Luongo, Cosmo Ciccarello & Gaetano Barone who died this past week.

Online Offertory Appeal

Dear Church,

It has been almost 13 years since the Lord called me to serve Him at Saint Patrick Parish, and I am grateful for His call. I am privileged to witness your faith, goodness and generosity as together we strive to grow in holiness and affirm God's love to those around us.

Together as a parish family we have retired our crushing mortgage debt of \$1.2 million, reduced our operating budget by over \$150k and are now operating in the black. During this time, we continued to make significant capital improvements to our parish center, church and school including relocating the parish offices to make them more accessible, painting the outside of the parish center, replacing the church, parish center and school roofs, converting all buildings to LED lighting to reduce our electrical costs, repairing the rectory façade, beginning the necessary repairs to the framework surrounding our stained glass windows, and completing the entire remodeling of the lower church. We are now looking at the cost to repair the masonry around the parish center and church (projected cost \$10k), a new sound system for the upper church (projected cost \$75k), a security system for the church, parish center and school (projected cost \$110k), and repair of the Steeple (projected cost \$120k).

Since the COVID pandemic our offertory has significantly decreased by approximately \$10k per month as fewer people are physically attending Mass....and that is totally understandable. At this time, I would like to make a concerted effort to try and increase our offertory collection and decrease our costs by urging everyone to please consider online giving. Increasing our offertory through online giving allows us to support the many ministries and programs that make Saint Patrick Parish such a vibrant and faith-filled community as well as complete the necessary renovations to our Parish Facilities. Please consider how you can continue to help Saint Patrick Parish by participating in our on-line giving through either using the donation tab on our Website (www.stpatrickstoneham.org), or establishing Saint Patrick Parish as a vendor on your online bill pay system.

I am extremely grateful for everyone's generosity to the parish and I thank you in advance for your consideration.

Fr. Mario

Please Pray for . . .

All of our homebound parishioners who, due to illness or advanced age, are no longer able to be with us for Mass. May God bless them with his strength and his peace.

All the intentions in our Parish Book of Intentions. May God hear our prayers and may we always trust in God's love and mercy.

GOSPEL MEDITATION

December 26, 2021

The Holy Family of Jesus, Mary, and Joseph

Families can be very difficult things to negotiate. This is true not only of our families of origin, the current family of which we are a part, the family of our Church, our society, and our global family as well. Everything human can be found in family stories. Those stories speak of wonderful life-giving successes as well as painful spirit-robbing abuses. Our greatest joys and our greatest wounds are usually connected with the experience of family. Our needs, experiences, and unresolved baggage often color what we bring to our familiar relationships. They contribute to our level of defensiveness, how guarded and protected we become, and what prejudices we believe.

In order to break the cycle of dysfunction we have to remember that it is not only by human effort that we negotiate the difficult and challenging events of our lives. There is a Divine Effort at work as well. For sure, the human effort can create quite a mess and easily destroy lives. This is true of any family with which we are associated. Today's Feast of the Holy Family serves to help us understand that there is a Divine Story being told as well. It is a story of perseverance in the face of hardship, determination in the face of despair, healing when we see nothing but wounds, and light where there is darkness.

Do we believe that God is always working, guiding, restoring, and leading? Unless we do, we will never be free from the imperfections and wounds that bind us and never be able to understand what it really means to forgive. Pope Francis tells us that the "light which comes from the Holy Family encourages us to offer human warmth to other families." While this is most certainly true, we can only really begin to do this when we realize that we are still works in progress, not anchored to the wounds and sins of our past, and still a leading star in God's continually unfolding story of love. The Holy Family persevered and radiated warmth because they knew they were not alone. We can too.

December 26 ~ Feast of the Holy Family of Jesus, Mary and Joseph

Every parent can relate to this Gospel. The thought of a child getting lost, no matter their age brings anxiety and stress! The relief of Mary and Joseph is palpable in this passage even though the 12-year-old Jesus acts surprised about his parents' concern. However, what is most important to glean from this gospel is the fact that upon returning to Nazareth, Jesus "was obedient to them; and. . . Jesus advanced in wisdom and age and favor." Their years together provided important time for growth for the Holy Family. The vocation of parents, grandparents and guardians is both rewarding and challenging. Take time to think about the example of the Holy Family and let them be a source of strength for you and for all families.
