

Saint Patrick Parish
71 Central Street, Stoneham, MA 02180
Sunday, June 5, 2022 ~ Pentecost Sunday

MISSION STATEMENT

In communion with the Roman Catholic Church throughout the world, St. Patrick Parish seeks to further the mission of Jesus Christ: that all may know God's love for them, and grow in union with God and one another. With the Sacred Liturgy at the center of our parish life, we are formed by the Word of God and strengthened by the Eucharist. We move from the table of the Lord to proclaim God's presence in our world today through a variety of ministries. Manifesting the life of the Holy Spirit in our midst, we strive to be a welcoming community where faith finds expression in service.

May 29 ~ Seventh Sunday of Easter

In today's Gospel we hear part of Jesus's final discourse to his Apostles. Jesus speaks from his heart, giving instructions and encouragement to his closest friends and then turns to pray to his Father. Listen to his prayer. It is his prayer for us: "...I have given them the glory you gave me, so that they may be one, as we are one, I in them and you in me..." Take time this week to reread this gospel as Jesus' prayer for us. What feelings does his prayer evoke in you? How will you respond to Jesus in your prayer?

ALTAR FLOWER MEMORIALS for 2022 Sunday Masses

Each weekend you have the opportunity to donate the weekend arrangement on the altar in memory of loved ones. The flower arrangement will be the one piece placed in front of the main altar.

Please call the parish office @ 781-438-0960 if you are interested in donating flowers for a particular weekend.

Summer Break

Dear Church,

After a long and chilly springtime, summer is just around the corner! I have heard from many of you that summer vacation travels are beginning. Long trips are now planned after the absence of summer vacations last year due to the Covid pandemic. I pray that your travels are safe and filled with wonder.

I am just as glad as you are that summer is coming. It is so great to be able to get outside, go for a walk on the beach, a bike ride, a picnic or to sit by a lake. Much of our thoughts about summer probably come from our experience of being students in school. Time is a significant commodity during the school year with so many activities, sports, classes, and assignments vying for our time. However, in the summer, time becomes easy. Time is not won by labor, but exists in surplus, and so it is far easier to waste time.

We also may see Church and Church activities as similar to school and we may believe that we need a break from that during the summer. I pray during these challenging times we live in that we never cut down on the number of Masses we attend or stop attending church altogether during the summer months while we are away. Hopefully, we do not see our relationship with God as something that needs a break, that it is only associated with work.

Those of us who live in climates where we have four seasons know the joy and wonder of summer. It is a God given gift to help us change our pace of life for a period of time. We are entitled to rest. We have earned it. And we are entitled to all the joy, pleasure, satisfaction, and laughter which attends rest. Go to the movies. Go to the pool. Go on a trip. Go to a Shrine.

I think I have made this recommendation before when it comes to summer and vacations, one of my old pastors used to recommend this when we were students. If you can give praise to God at the end of your activity, then it was probably a good thing, if you cannot praise God for what you did, then you may want to look at not doing that anymore.

If you can go out for an activity with your friends then grab dinner and chat about work, church, friends, family, and it doesn't seem absurd to praise God in the parking lot before parting ways for the night— then well done. That's rest. That's community. Whenever two or three are gathered in the name of Christ, Christ is there too. If you can identify anything you have done as a blessing from God, carry on with it. However, if you're in the middle of a movie, or a concert, or a trip to the pool, the beach, the bar and you look at your friends and realize there's no way you can honestly thank God for what you're doing, quit doing it. If it seems ridiculous to praise God after playing video games for three hours or on Facebook for four hours, you're right. It is.

There are a number of places in scripture where we see Jesus taking a break, going to the beach or the mountains to be with his friends. Jesus saw those times as a blessing from God. Like Jesus, we should take advantage of them. Like Jesus, we should not see a difference between the goodness of things in this world and the presence of God. God really wants to join you on your summer break. God will join you on that camping trip, at the lake, climbing a mountain, fishing, enjoying a boat ride, and whatever else you invite God to take part in. Just remember to invite God to join you. And, if you are still in town, we look forward to seeing you at St Pat's!

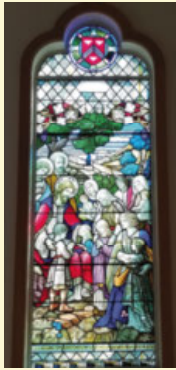

Our Lady of Mount Carmel Pray for us!

Fr. Mario

Dear Church,

Pope Benedict once used the example of stained-glass windows in a homily about the church. He said that the stained-glass windows of our churches are a powerful symbol of the difference the Light of the Gospel makes when you are inside the church and outside the church. From the outside, stained-glass windows are dark, obscure, not beautiful, and incomprehensible. From the inside, stained-glass windows are bright and beautiful. The light shines through and makes the symbols in the window able to be seen and understood. The light of faith makes the same difference in our lives. When we are 'outside the church' so to speak when we are separated from God's love and light we see the world in a dark and obscure way and not seeing God's hand in our lives. When we are 'in the church' then the light of faith has penetrated our hearts and we can see all the good God is doing in the world and in our lives. Let us choose to be people of light!

This past September we issued a detailed financial report from our parish. I hope you found it helpful. As noted in our financial report, every year we undertake a few major improvement/repair projects to maintain the parish and we have come a long way already! One of the major undertakings is to replace all the rotted frames holding in our stained-glass windows, many of which have been donated in memory of a beloved family or family member. This project was in the works before the pandemic. To date, we have reframed the main window over the altar (\$18,000) and a window by the old entrance to the Church (\$6,500). The scope of the project is to replace the rotting wooden frames of each stained-glass window with a composite that will not rot. Before we can commit to reframing all the windows, we continue to raise the necessary funds. Each of the windows will cost between \$6,500 and \$10,000 to reframe. The total project is estimated to cost over \$300,000. If you have memorialized a window in the past for your family or a loved one or a special intention, please consider adopting the window to reframe. At the completion of the project we will erect a plaque to thank all who contributed to the Stained-Glass Window Reframing Project. Thank you in advance for your support. Together we can reframe our beautiful windows so that they can continue to let the Light of Christ shine in for future generations.

PRAYER

Loving God,
often giving into temptation and weakness,
we forget that You alone are God.
Help us to avoid greed in all its forms,
seeking satisfaction from things
that are passing and being indifferent
to the cries of those who suffer pain.
May we allow the Gospel
to teach us that all human life is sacred,
that everyone has a right to a place
in Your world and that the desire for peace
resides in every vulnerable human heart.
We offer You, Most High and Glorious God,
the pain of our war-torn and hurting world
and entrust to Your care those who have lost their lives,
those who grieve for them and
those who have to leave their homes to be safe.
Inspire those with power to see that violence
is not the path to peace and to pursue resolutions
to conflicts that respect human dignity.
Loving God, hear all of our prayers
and those in hearts throughout the world
through Christ our Lord.
Amen.
