Responding to the word this week

God, sometimes you seem to revel in doing things backwards. The psalmist says that you watch over the poor and the needy, those who don't really matter in the power structures of the world. You set the planets in the night and then give us the sun at just the right distance to make our crops grow. You surround us with just the right amount of warmth when so many plants are too warm or too cold. Help us to receive your backward surprises this day! Set us ablaze! You have come in glory to dispel the darkness of our lives. We may not be your Chosen People. But you came to shine your radiance on us as well. Glory to you, Light of the world!

Amen

Message From Father Jacobs

Hello Everyone!

Happy New Year one and all!

I found these quotes which were helpful to me. Hopefully, they will be helpful to you as well.

Tomorrow is the first blank page of a 365-page book. Write a good one.

Brad Paisley

We spend January 1st walking through our lives, room by room, drawing up a list of work to be done, cracks to be patched. Maybe this year, to balance the list, we ought to walk through the rooms of our lives, not looking for flaws, but for potential.

Ellen Goodman

Let our new year's resolution be this: We will be there for one another as fellow members of humanity in the finest sense of the word.

Goran Persson

I hope that in this year to come, you make mistakes. Because if you are making mistakes, then you are making new things, trying new things, learning, living, pushing yourself, changing yourself, changing your world. You're doing things you've never done before and more importantly, you're doing something.

Neil Gaiman

FUEL COLLECTION

You are welcome to make your donation at any time during the coming months. Thank you for your ongoing financial assistance to Holy Trinity

We are grateful!

Koffee Klub is Back!

Coffee and refreshments are available each Sunday, after the 9:00am Mass in the church hall.

A New Year's Blessing

May God make your year a happy one. Not by shielding you from all sorrows and pain. But by strengthening you to bear it, as it comes. Not by making your path easy. But by making you sturdy to travel any path; Not by taking hardships from you. But by taking fear from your heart; Not by granting you unbroken sunshine but by keeping your face bright, even in the shadows.

Not by making your life always pleasant, but by showing you when people and their causes need you most, and by making you anxious to be there to help. God's Love, Peace, Hope and Joy to you for the year ahead.
