In the Gospel today, we find that Jesus would rise very early before dawn and go to a deserted place to pray and then he went out to preach and to heal. **Please pray for the poor and suffering, knowing that you are bringing the love and peace of Jesus to those who live in fear and doubt, loneliness an dread.**

En el Evangelio de hoy, nos damos cuenta que Jesus se levantaba temprano, antes del amanecer, y se iba a un lugar abandonado a rezar para luego irse a predicar y curar. **Por favor oren por los pobres y sufridos, sabiendo que estas llevando el amor y paz de Jesus a aquellos que viven en temor y duda, soledad y terror.**

Parish Registration

Question: Why is it so important that we register in a parish? Isn't it good enough that we go to Mass?

Answer: Registration is the official way we join a parish community. Many people think that because they attend a particular parish they automatically belong. But becoming a registered parishioner requires signing up, formally enrolling yourself in a parish

At times, young adults who have moved away for years think they are still signed up under their parents. However, as adults, they should register separately from their parents; all it takes is completing a registration form (you can find one on our website **https://transtans.org/important-forms/** or call the rectory).

Registration is a commitment to a community, a way to be included in the religious, social, and ministerial activities of your parish.

Registration shows you belong. It is also necessary for certain benefits, like scheduling sacraments, obtaining sponsor certificates, letters for immigration purposes and getting donation statements for taxes.

Registering in your parish is a statement of faith and confidence in the life and work of your parish.

Registro parroquial

Pregunta: ¿Por qué es tan importante que nos registremos en una parroquia? ¿No es suficiente que vayamos a misa?

Respuesta: el registro es el official forma en que nos unimos a una comunidad parroquial. mucha gente piensa que porque asisten a una parroquia en particular, automáticamente pertenecen. Pero convertirse en un feligrés registrado requiere registrarse, formalmente inscribirte en una parroquia.

A veces, los adultos jóvenes que se han mudado durante años piensan que están todavía inscrito con sus padres. Sin embargo, como adultos, deben registrarse por separado de sus padres; todo lo que necesita es completar un formulario de registro (puede encontrar uno en nuestro sitio web **https://transtans.org/important-forms/** o llame a la rectoría). El registro es un compromiso con comunidad, una forma de ser incluido en lo religioso, social y actividades ministeriales de su parro quia.

El registro muestra que perteneces. También es necesario para ciertos beneficios, como programar sacramentos, obtener certificados de patrocinador, cartas para propósitos de inmigración y obtener declaraciones de donación de impuestos..

Registrarse en su parroquia es una declaración de fe y confianza en la vida y obra de su parroquia.

FROM THE PASTOR

This Lent, let's not focus on what we give up. Let's focus on who God wants us to become. We can do that together, if you join me for Dynamic Catholic's **BEST LENT EVER.**

Beginning on Ash Wednesday and continuing through all forty days of Lent, you will receive an email and short video from Matthew Kelly based on his book ***I Heard God Laugh,*** to help you reflect and encourage you on your own personal journey throughout this Lenten season.

The program is completely free, and signing up is easy: just visit **BestLentEver.com,** enter your name and email address, and you're ready to go!

If there are people in your life who you think would benefit from this program—whether friends, family or even acquaintances — I strongly encourage you to invite them to sign up as well. This is a wonderful program, and the only think that could make it better is doing it with someone you love.

Again, signing up is simple and easy, so don't miss out on this incredible opportunity.
