July 3 ~ Fourteenth Sunday in Ordinary Time

We know all too well the reality of Jesus' words in today's gospel that there are too few who are willing to be "laborers for the harvest." This week rather than focusing on the scarcity of laborers let us appreciate and give thanks for those in our midst who do respond to Jesus' words, "Go on your way. . . I am sending you." They are our religious education teachers, our lectors, those who visit the sick and homebound, our St. Vincent dePaul society and the many, many others. Each one of us is sent as "a laborer for his harvest." To what is Jesus calling you and how will you respond?

FOURTEENTH SUNDAY IN ORDINARY TIME

FAMILY NOTES, XIV Sunday in Ordinary Time, July 3, 2022

Dear friends, peace!

MISSION SUNDAY

This weekend Father Simon Njuguna, an Augustinian of the Assumptionists missionaries, will speak at all our Masses asking for our help by a second collection for the missions. Let's be generous. Here is an outline of the work of the Assumptionists.

God bless! JFH

THE ASSUMPTIONISTS AUGUSTINIANS OF THE ASSUMPTION

From the very beginning, the Assumptionists have been engaged in a wide variety of apostolic works. All that advances the coming of the Reign of God has always been deemed worthy of our apostolic energy.

It's a preference for poor, in response to the Gospel and to the Church calling us today to be on their side. For us too it's a consequence of our own vow to live as poor men. Some will dedicate themselves full-time to this work: with marginalized people of every kind, in hospitals and in prisons, "worker priests" or volunteers in different organizations... But all of us try to live in union with the poor, because "the poor will always be with us", because the poor are often neglected even within the Church. This is a bias that the Assumption encourages.

Our Province of North America and the Philippines is specifically responsible for the missions in East Africa (Kenya and Tanzania), Mexico and the Philippines. We provide personnel and financial assistance that is indispensable in order to maintain our charitable works (schools and nurseries) and formation programs for both laity and clergy in these countries. Many of our apostolates in these countries specifically work to better the living conditions of the impoverished brothers and sisters we live with and minister to. In the Philippines, we sponsor education and aid programs for underprivileged villages both in the Manilla area and in other mission centers. Our newly founded parish in Orizaba, Veracruz Mexico ministers to an underserved indigenous community.

2. What "following Christ" means for Gen Z | Chris Stefanick Show (34 minutes) Meet my friend Fr. Peter. He has been working in college campus ministry for 16 years! So, if you work with young adults or know one who's struggling with their faith, you don't want to miss his nuggets of wisdom about the deeper questions that young people want answered. If you want to follow Christ these days, the stakes are higher than ever. But there's hope. Fr. Peter's here to tell us why.
