## Prayer to Saint Blaise

*O glorious Saint Blaise, who by thy martyrdom has left to the Church a precious witness to the faith, obtain for us the grace to preserve within ourselves this divine gift, and to defend, without human respect, both by word and example, the truth of that same faith, which is so wickedly attacked and slandered in these our times.*

*Thou who didst miraculously cure a little child when it was at the point of death by reason of an affliction of the throat, grant us thy powerful protection in like misfortunes; and, above all, obtain for us the grace of Christian mortification together with a faithful observance of the precepts of the Church, which may keep us from offending Almighty God.*

*Amen.*

## Call To Holiness

Cardinal Francis E. George wrote, "People who are holy, whether or not publicly recognized by the church as saints keep the world from turning into hell." This is what the Communion of Saints is all about, as they embrace the vocation of love for God and Neighbor. God offers a basic call to each of us for Holiness and if we lived as God made us, we would set the world on fire with holiness. The saints surround us in so many examples and so many days of the year fill our calendar and their names are on all of our Parish and church buildings. Saints are not produced in a vacuum, they are part of their daily living. Look out for them, be one of them. We are all called to sanctify the world in Christ's name in this shortest month of the year, February, live out your call to holiness.

Blessing Of The Throats, Feast of St. Blase  
Thursday, February 3rd  
St. Anthony's  
After 8 am mass and  
5 pm Prayer Service and Blessing of Throats

*St. Anthony's Cemetery will only have one road open during the winter and will be closed to burials until April 1st.*

## SAVE THE DATE

*Sunday, March 13th at 5 pm in the church. The theme this year will be AFRAID: The Gospel of Mark—All High school students and their parents are required to attend. There is no charge for this and it is a time of quite reflection and prayer. He is a Hollywood Catholic actor who has been here numerous times and is well acknowledged and appreciated. He intends to come unless there is a major COVID uprising near this date.*

⇒ COVID — with this disease still present I think it is only right for the health and safety of all that we continue to WEAR A MASK until probably **March 1st**. I fully understand those who have been vaccinated may not want to continue, that is your choice; but those who have not been vaccinated, should, for others, wear a mask. We want to hold to the Gospel value, LOVE ONE ANOTHER.

So for the care of others, I think we should be wearing a mask. There will be no Holy Water, Missalettes or music until **March 1st**. You should socialize outside of church for the comfort of all. Communion will continue to be a double line starting from the rear pews so all may social distance. I am pleased that many have returned to mass but some are still frightened and we want to get them back to the Eucharist by trying to keep our mass schedule at 30 minutes or less, Try to come on time. Thank you all who have returned and are wearing masks.

**St Thomas of Villanova ORGAN FUND:** It was such a blessing to have music for our Christmas Mass Celebrations this year. Unfortunately on Dec 26th, the 40+ year old organ "blew something" and parts and service are no longer available for it. The organ committee has found a New Organ and the finance council has approved the purchase. We are hoping that parishioners will be able to help offset the \$21,000 cost with donations which can be written out to St Louis de Montfort Parish with STV Organ Fund in the memo. Checks can be mailed to St Thomas, PO Box 177, Goshen, CT 06756 or put in a special envelope marked "Organ Fund" and put in the collection basket at mass. We are hoping to get the New organ for Easter on April 17th.
