**FLU PREVENTION PROTOCOLS FOR MASS:**

Due to the scope and seriousness of the current flu epidemic, our parishes will take the following temporary measures in taking prudent precautions during the celebration of Mass.

1. Parishioners experiencing flu-like symptoms are requested to remain at home and not come to church. Individuals who are ill are not bound by the Sunday Mass obligation.
2. Distribution of shared consecrated wine for the faithful is temporarily suspended until the end of flu season.
3. We urge, but will not require, all communicants to receive the sacred host in the hand, until the end of flu season. Those who still prefer to receive the host on the tongue are asked to kindly approach the Eucharistic minister toward the end of the communion procession out of concern for other parishioners.
4. We will temporarily forego the Sign of Peace until the end of the flu season.
5. Parishioners are asked not to hold hands during the recitation of the Our Father during Mass. Of course, families may continue to hold hands if they, as a family, choose to do so, but should not outside of their family.
