## A CHILD OF GOD

In my second year of theology studies, I went to confession to a priest visiting the seminary for a three-day retreat. My heart wasn't in it. I was going through the motions. I confessed my sins and waited for his response. The priest said, "For your penance, I'd like you to go into the chapel and repeat the words '**You are my beloved Son, with you I am well pleased**' (Luke 3:22) until they mean something to you." Easy penance, I thought.

But to my surprise, I struggled to say those words. I sensed a strong interior resistance blocking them. How could God be well-pleased with me? He couldn't be, I thought. A battle within me ensued. Two hours later, the resistance vanished, and I found myself able to speak, and claim as my own, those marvelous words. I emerged from the chapel with a new, deep, peaceful conviction that I was indeed God's beloved son.

Those words are a precious gift from heaven to all of us. Jesus' baptism, which we celebrate this week, offers them to us. Are we willing to receive these words anew? Many things can block this deepening of our baptismal identity: failings, sins, disappointments, traumas, problems, and so on. Yet God's love is always greater. This week I challenge you to prayerfully repeat these words over yourself—or perhaps over someone you're struggling to love—until those words find a home in your heart.

— Father John Muir
