Signature Drives

In the coming days you may be approached by supporters of statewide ballot initiatives for the purpose of collecting signatures on Church property. Signature gathering is one of the first steps to qualify for an official question to be placed on the ballot the following November.

As a reminder, at the direction of the four Ordinaries, the Massachusetts Catholic Conference (MCC) issued a signature drive policy in September 2019. The Ordinaries have approved the same policy for 2021.

For your information, this year there are two specific signature drives that are noteworthy:

The first is an INITIATIVE PETITION FOR A LAW TO PRESERVE THE LIVES OF CHILDREN BORN ALIVE. While the decision is yours to make in accordance with the policy, Cardinal O'Malley strongly encourages you to allow for the gathering of signatures for this petition as it is a pro-life petition seeking to protect babies born alive and is clearly in accordance with the teachings of the Church.

This petition to be signed will be available on weekends of October 23/24 and 30/31 in Saint Adelaide's Church vestibule.

Preserve the lives of children born alive!

~~~~~

The second is an INITIATIVE PETITION FOR A LAW TO REQUIRE VOTER IDENTIFICATION IN MASSACHUSETTS.

**It is not the policy of the Archdiocese of Boston to support this petition and we strongly urge you to refrain from allowing signature gathering on Church property.**

This petition ignores the recognition of the effects of past unjust discrimination against the minority and immigrant communities and may prevent and discourage certain eligible individuals from exercising their right to vote. Furthermore, the US Conference of Catholic Bishops has urged leaders at the federal level to consider the effects of unjust past discrimination in enactment of any laws related to voting rights.

**If you have any questions, please contact James F. Driscoll, Executive Director.**

## October 10, 2021 28th Sunday in Ordinary Time

If we are truly in love with God, then the basics are not going to be enough. That love is going to want to be expressed in going above and beyond, in leaving the comfortable and familiar, in stretching and growing, and in following a voice other than our own. St. Teresa of Calcutta rightly instructs us that for "love to be real, it must cost, it must hurt, it must empty us of self." Being in love with God requires more than just checking the boxes of the commandments. It requires a sincere and unconditional self-investment. Desiring God with our whole heart, mind, and soul means that I must also desire a relationship with my neighbor with that same degree of fervor.

Biases and prejudices usually occur when people are kept at a distance and treated as objects. We cannot truly know our neighbors, especially if they are different than us, if we keep them in boxes and do not listen to their stories. When we open ourselves to listen to another person's story, we begin to realize more how similar we are than dissimilar. Being overly attached to our possessions, ideologies, agendas, lifestyles, and personal needs are absolute barriers to achieving the type of personal investment love demands. This is why following Christ can be difficult. It is less a matter of intellect and more a matter of heart and soul. It requires that we transfer our treasure from an investment in tangible secular things and move it into the Kingdom of God. It is only the gift of wisdom and discernment that can help us decide what to do and how to do it.

Contemporaries of Jesus would know that a camel could not enter through the portal of a city weighed down with the baggage it was carrying. In order to enter, the baggage must be removed so that the animal could fit through the entry way. The same is true for us. We carry a lot of excessive baggage around with us that keeps us tethered to our past histories, wounds, myopic world views, prejudices, fears, and suspicions. To invest ourselves in the Kingdom of God, do God's work and live out our love relationship with God, we need to shed the extra weight. While it may seem that a lot of that stuff is necessary, it really is not. We are much more than the things that we think define us and more secure than we think. The more there is to hold on to and the more that we carry with us, the harder it will be to leave it all behind. Many choose not to and walk away sad because they are not ready to trust.

## EVANGELIZATION

OCTOBER 10

### Twenty-eighth Sunday of Ordinary Time

The rich young man in today's gospel is like many of us. He knows about his faith and its teachings and finds it difficult to commit to following Jesus because of his many possessions. Are there "possessions" you hold onto, such as relationships or ways of thinking or acting that get in the way of you being a committed disciple of Jesus? When turning your life over to Jesus seems impossible, remember his words, "all things are possible with God" and trust that God will help you to live as a disciple now!

### Lady of the Rosary

Lady of the Rosary in Prouilhe, France, the cradle of the Dominican Order and the spot where St. Dominic received the rosary from Mary. Photo: Gretchen Filz

I feel that I say the rosary so poorly! I make a concentrated effort to meditate on the mysteries of the rosary, but I am unable to focus my concentration. For a long time I was disconsolate about my lack of devotion, which astonished me since I so much loved the Blessed Virgin that it ought to have been easy for me to recite the prayers in her honor that so much pleased her. But now I am less sad, for I think that the Queen of Heaven, who is also my Mother, ought to see my good intentions and that she is pleased with them.

-St. Therese of Lisieux.

Pray for us!
