Faith in Action  
IT ALL STARTS WITH YOU

Last weekend, the 2022 Catholic Appeal has officially run here in our parish and across the Archdiocese. By Participating in the Catholic Appeal, you are helping put faith into action to serve those who turn to the Church for assistance. Your generosity helps to change lives through countless programs and ministries, including Addiction Recovery, Catholic Schools, Parish Food Pantries and the Central Ministries of the Archdiocese. In addition, The Catholic Appeal supports the programs and operations of our parish.

We invite you to prayerfully consider making a generous gift to this year's appeal. When our parish reaches its goal in paid pledges, a portion of the additional funds received will be returned to us for use in our parish. To make a gift online scan the QR code or visit [www.bostoncatholicappeal.org/donate-now](http://www.bostoncatholicappeal.org/donate-now). Thank you!

## UKRAINE RELIEF

Due to the unprecedented needs brought about by the devastation of the attacks on Ukraine and the immigration of millions of victims fleeing the ravages of the war, I am authorizing a special collection to be taken up at all parishes on the weekend of March 19 and 20. The proceeds from the collection will be sent to Catholic Relief Services, the overseas relief and development agency of the U.S. Catholic Bishops, and to the Vatican agency for outreach to the Churches in Eastern Europe.

Please join to this action in supporting the people of Ukraine through our prayers, our concern, and our contributions.

God Bless,  
Cardinal Seán.

*Pastoral Reflections from Father Anthony*

3rd SUNDAY OF LENT

The thing that makes it difficult to repent is the feeling of being in a state of safety. Today's Gospel mentions the two burning topics of day: the cruelty of Pilate and labor accident. Both led to catastrophic death: the Galileans were killed by Pilate and their blood was mixed with the blood of their sacrifice, while eighteen people were killed when the tower at Siloam fell on them. As we know at Jesus' time, these people were considered guilty and they were punished by God. In the meantime, it's easy to make the others think that they were innocent, because they remained peaceful. This easily led them to pride, arrogance and false security.

"Do you think they were more guilty than everyone else who lived in Jerusalem?" (Lk 13:4b). "Do you think..." These words of Jesus in today's Gospel take each of us out of our illusions about ourselves. He wants to remind everyone that they need to repent because none of us knows who is the greater sinner than one other before death strikes.

The fig tree in the parable is also in a safe state as an example. It did not bear poisonous fruit. It did not hurt the other plants. It did not destroy the landscape. It had only one sin: it exhausted the soil and did not bear fruit. Many of us feel as safe as the barren fig tree because we thought we did nothing wrong, did not hurt anyone, but we forget that we will commit sin when we do not do good to others, the good we can do and we must do.

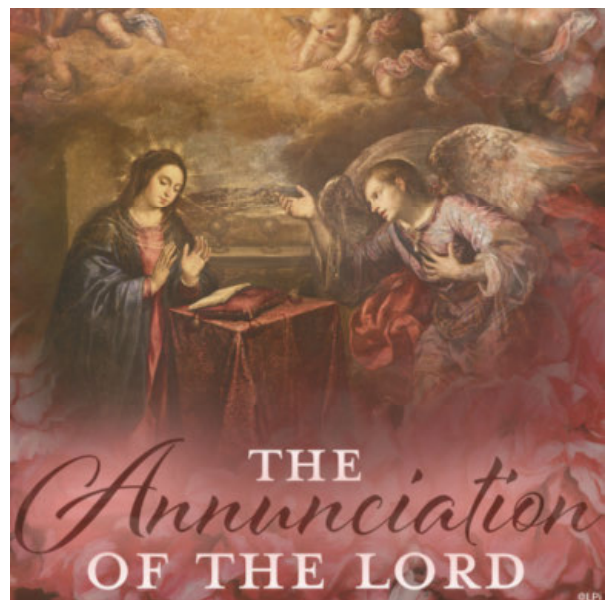

How many talents God entrusted to us that we did not invest (Mt 25:18), how many people in need that we did not help (Matthew 25:42). When we do not want to do good for life and for people, we accidentally give more strength to evil to act willfully. Therefore, practicing religion is not only to try avoiding sin, but also cultivate and promote the good actively. If a Christian is content with the way it is, the barrenness is inevitable. The world today needs badly the committed Catholics who dare to reach out in the world.

The parable of the fig tree shows us the face of God. The Father is a patient gardener. He had so much hope. The decision to cut a tree came only after his disappointments. He only punishes when he has done enough to move our hearts, "For three years now I have come in search of fruit on this fig tree but have found none. So cut it down" (Lk 13:7). Jesus is an equally patient gardener. He constantly cherishes a faint hope, "Sir, leave it for this year also, and I shall cultivate the ground around it and fertilize it" (Lk 13:8) But we do not forget the final warning: "It may bear fruit in the future. If not, you can cut it down" (13:9). Patience, hope, care, but demanding with determination is

God's attitude toward sinners. Jesus both inspires us to hurriedly converse and gives us the time to delay.

Let us pray so that we may repent each day in our lives. Repentance is to accept the loving care of God and should not waste the blessings and grace God gives us as he did for St. Peter, Zacchaeus, the prostitute woman and so on. All these people returned to God and did good to the people after their repentance. Therefore, Lenten season is not just to confess our sins, but also confess our barrenness, coldness and indifference, so that our fig tree of life may bear more fruit and sweeter by loving everyone with God's merciful heart. Amen.
