## Pastoral Reflections from Father Anthony

6<sup>TH</sup> EASTER SUNDAY

When asked where is Christ present? We often think of the church, the Tabernacle. Unfortunately, many times we just stop there. We seldom think of a different way of His presence. He is not just with us, beside us, in the front of us, but he is also within our human weakness. We often do not think of this, because we do not dare to believe in that great gift of himself given to us. In today's Gospel reading, Jesus solemnly proclaimed his stay with us, "Whoever loves me will keep my word, and my Father will love him, and we will come to him and make our dwelling with him" (Jn 14:23).

The pronoun "we" here refers to the Father and the Son. Where the Father and the Son are, there is also the Holy Spirit. Because of the love of Christ, we are welcomed into the Holy Trinity's world. Out of their love for us, the Holy Trinity has come and dwelt within us. In this two-way love, heaven starts blooming. Heaven is very close right in our hearts. Indeed, heaven is often in the souls of those who love Christ and keep his word. Sometimes we need to ask ourselves: Is God really within us. Have we ever experienced his presence at all? Have we ever worshipped his presence?

Christians are not only the friends of Christ, but they must also be the people who have Christ in them and form the community of love as the Holy Trinity did. Therefore, they are the sanctuaries, the mobile churches because they contain not only Christ as a tabernacle, but they are one with him in love.

Thus, the sacraments we receive are given for the purpose of making love between us and Christ increase and grow. Before we receive Holy Communion, Christ is already in us. After we receive the Eucharist, Jesus does not abandon us either. But every time we receive Holy Communion, His presence is increased and his love grows within us. Even if we are not able to go to the church, we can still meet the Christ in our hearts. Just let our

hearts calm down, we may see him and enter into a dialogue with him. Indeed, if God is not present in the hearts of believers, our church will be an insensitive community.

Thus, our Christianity is the religion of the Risen One, who is living on the fullness of God's life. The risen Jesus didn't appear just a couple of times, but he wanted to stay with us until the end of the world. This is really a so profound and powerful two-dimensional presence as he said, "Remain in me, as I remain in you" (Jn 15:4a). It is a presence which brings abundant life: "because I live and you will live" (Jn 14:19b). So, Christians by nature are those who have been resurrected, thanks to our communion with the Living One who is Christ as St. Paul said: "I live, no longer I, but Christ lives in me" (Gal 2:20).

The Easter season reminds us to look back at our life. Sometimes we live poorly, just because we don't dare to love and love to the end. Once we begin to love, we begin to meet God and feel his life in us flare up powerfully.

Today's world tries to make life more secure, more comfortable and produce a longer and better life. But today's world is still full of danger. Life is threatened by war, crime, poverty, hatred, violence, and so on. Life is worn out and fades away because it finds no meaning. The world is thirsty and hungry for real life. If we are the true disciples of Jesus and walk with him in every corner of life, we can give that life to the world through our commitment and service of others with love, compassion and generosity.
