Pope Francis has asked Catholic dioceses all over the world to take part in the preparations for the Synod on Synodality that will culminate with its celebration in Rome in October 2023. Bishop Deeley is asking the people of Maine to participate in this exercise of listening and discernment through parish and group consultations and/or by answering the questions in the brief, anonymous survey below. This survey will be open through Monday, April 18. All the responses submitted will be collated and prayerfully analyzed to identify themes about how the Holy Spirit is prompting the Church to live communion, achieve participation, and open Herself to mission. These themes will be reported to the United States Conference of Catholic Bishops in the Summer of 2022 as well as to the public in Maine. To fill out the survey, visit [www.portlanddiocese.org/content/synod-synodality-survey](http://www.portlanddiocese.org/content/synod-synodality-survey).

## Make a Way

What’s your comfort zone: emotionally, professionally, personally? We all have one. But did you realize that you can have one spiritually? Think about what you like and what you don’t particularly enjoy when it comes to church, prayer, and liturgy. We all have “those songs” we crinkle our noses at, either because they’re too modern or too old-fashioned. We all have “those people” in our parish whose ideas we aren’t so sure about, whether that’s because they’re trying to change too much or because they seem always to be looking toward the past. Also, when was the last time you sat on the OTHER side of the church during Mass? As much as we may not want to admit it, even (and especially) as people of God, we get deeply attached to our own personal comfort zones — and we tend to view those outside with distrust. But what if God had a comfort zone? What if He viewed us, in our sin and our misery, as too “far away” from Himself to reach? Thankfully, our God is a God who “opens a way in the sea and a path in the mighty waters.” Our God is a God who does “something new.”

The call to stewardship demands that we look outside of ourselves. Our thoughts, our opinions, our preferences — these things are not important to the steward. Even if there is a vast, dry desert of discord, or a seemingly endless wasteland of opposing views between us and our neighbor, God challenges us to “make a way” out of our comfort zone, that together we may announce His praise.
