The hosts of heaven exult and sing aloud in mighty triumph!
 Let the earth be glad as glory alights and night reigns no more.
 Let the Church rejoice at the victory of her Lord and Master,
 Who paid the debt of Adam,
 Who frees those doomed to die,
 Who heals the broken-hearted and bind up their wounds,
 Who forgives the sinner and raises up the lowly,
 Who destroys death forever,
 Whose Kingdom shall have no end.
 God our Father, eternal is your love for us!
 Christ the Son, in victory you reign!
 Holy Spirit, set the Easter fire ablaze in our hearts.
 Together you live and reign and ransom your people,
 one God forever and ever.
 Amen.

Easter Sunday of the Resurrection of the Lord

There are many stones in our paths that keep us from truly living and being free. Some of these boulders have been there for a very long time. They have been there so long that they have even settled into the soil of our lives with other weeds, vines, and compacted soil keeping them firmly in place. We find them hard to move and trying to do so can be exhausting. What are these suffocating albatrosses that keep us so tethered and immobile? They are many things.

They are past childhood wounds and hurts that stem from disappointment, rejection, or abuse. People may have told us we were unwanted, that the world is frightening, that there are only some acceptable feelings you can have and others you cannot. We may have tried to love someone or struggled to figure out how and were met with rejection. Maybe we trusted someone completely and were betrayed. We come to life collecting barnacles that begin to attach to other barnacles and before you know it, we have a mass of solid matter blocking our vision and keeping us from moving. We live in fear. We are afraid of losing what we have, afraid that the future will be empty, afraid that we won't succeed and even more afraid that we will not be loved. There is so much fear. Didn't Jesus tell us not to worry and to not be afraid? Either we believe in the message of Easter, or we don't!

Go confidently into the night. Walking with God you will find the light and strength you need. Often without even knowing, God will move those boulders and stumbling blocks that bind us and, with putting one foot in front of the other and looking forward, we will move. The resurrection of Christ is really all about receiving the gifts of trust and faith and doing new things. The rocks that bind us keep us spinning the same wheels and doing the same things. When was the last time you threw caution to the wind and actually did something totally out of character and different? This is where we find God, in the spontaneous, the adventurous, the fun, and the creative choices we make! God is not boring and stuck. God is exciting and engaging. Jesus Christ is risen from the dead! Find a way to trust that this is true and live.

Pope Francis has asked Catholic dioceses all over the world to take part in the preparations for the Synod on Synodality that will culminate with its celebration in Rome in October 2023. Bishop Deeley is asking the people of Maine to participate in this exercise of listening and discernment through parish and group consultations and/or by answering the questions in the brief, anonymous survey below. This survey will be open through Monday, April 18. All the responses submitted will be collated and prayerfully analyzed to identify themes about how the Holy Spirit is prompting the Church to live communion, achieve participation, and open Herself to mission. These themes will be reported to the United States Conference of Catholic Bishops in the Summer of 2022 as well as to the public in Maine. To fill out the survey, visit www.portlanddiocese.org/content/synod-synodality-survey.

Easter Prayer of Thanksgiving
 Good and gracious heavenly Father,
 we come before you on this Easter Sunday with full and grateful hearts for the gift of the Paschal Mystery that you showed us in the life, death, and resurrection of your Son, our brother by adoption, Jesus Christ.
 Bless us and all those who profess belief in your saving love.
 Bless also those who have yet to profess belief in you.
 You are God for all.
 We ask all this in Christ's name.
 Amen.

Saint of the Week

St. Anselm of Canterbury left his home in Italy to travel as a young man and ended up at the monastery in Bec, France, which was known for the teachings of its leader, Lanfranc. Anselm rose quickly to become abbot of the community and his writings are now compared in importance to those of St. Augustine.

In 1093 Anselm was appointed Archbishop of Canterbury by William II Rufus, the son and successor of William the Conqueror. However, at the time there was a controversy in Europe over whether kings or the pope had the power to invest bishops. Anselm, who believed only the pope should have the right to invest an ecclesiastical authority, spent much of his time as Archbishop exiled in Rome.

St. Anselm's teaching and works of theology are his most important contribution to the Catholic faith. He is considered of the fathers of scholastic theology and his chief achievement in philosophy was the ontological argument for the existence of God. His work *Cur Deus homo?* taught that atonement for sins could only be achieved through Christ. He was canonized in 1494 and named a Doctor of the Church in 1720. © LPI

EASTER

Creation Care Corner

Laudato Si' and the Risen Christ

In the Encyclical, "Laudato Si': On Care for Our Common Home," Pope Francis encourages us to consider our Savior's relationship with all of Creation.

"The New Testament does not only tell us of the earthly Jesus and his tangible and loving relationship with the world. It also shows him risen and glorious, present throughout Creation by his universal Lordship: 'For in him all the fullness of God was pleased to dwell, and through him to reconcile to himself all things, whether on earth or in heaven, making peace by the blood of his cross' (Col 1:19-20). This leads us to direct our gaze to the end of time, when the Son will deliver all things to the Father, so that 'God may be everything to every one' (1 Cor 15:28). Thus, the creatures of this world no longer appear to us under merely natural guise because the Risen One is mysteriously holding them to himself and directing them towards fullness as their end. The very flowers of the field and the birds which his human eyes contemplated and admired are now imbued with his radiant presence." (Laudato Si', #100)

He is Risen, Alleluia, Alleluia!
