Cluster Mission Statement

We, the people of the Portland Peninsula and Island Parishes, are a diverse and multicultural community of Roman Catholics seeking to draw ourselves and others into deeper union with God through the celebration of the Sacraments, the proclamation of the Gospel, and service to our neighbor. We welcome all to share in the beauty of our Catholic faith and traditions as we strive to witness the love of Jesus Christ present among us.

Portland Peninsula
& Island Parishes

Dear Parishioners,

Deacon Peter Bernier, who coordinates hospital chaplaincy in our diocese, called me earlier this month to update me on how things are going at Maine Med and Mercy hospitals. For a number of reasons, he is facing continued gaps in priest coverage and asked if, rather than trying to juggle the calendar each month, Fr. Kevin might be willing to provide more regular assistance to the hospitals through June of this coming year. In this arrangement, Fr. Kevin would still offer weekend Masses for our parish, but would be assigned full time to the hospitals during the weekdays.

Fr. Kevin has been giving many hours to our hospitals for quite some time and truly enjoys this ministry. He is also exceptionally good at it. Our parishioners tell me often that they find his presence to be very comforting and that he is incredibly dedicated and attentive to those who are in need. He, Fr. Agustin and I spoke together about this proposed change and were all in agreement that it would be a good idea for Fr. Kevin to focus on the hospital rather than all three of us try to juggle being on call each week. Most parishioners will continue to see Fr. Kevin as much as they always have in the normal weekend Mass rotation and at daily Masses. The few things that will change are: Starting on November 1st, Fr. Kevin will no longer be assigned parish funeral Masses or take pastoral appointments during the week, other than occasional appointments on Friday afternoon. Additionally, the weekday presider Mass schedule will change to a two week, rather than three-week rotation, with Fr. Kevin offering the 7AM Masses on Monday and Wednesday, and the 12:15PM Mass on Friday every week. The personal days for all three of us will change: mine will change from Thursday to Wednesday, Fr. Kevin's from Tuesday to Thursday, and Fr. Agustin's from Monday to Friday. (I don't like to call these "days off," because we are always priests who will assist in an emergency, but these are the days we do not generally book appointments so that we are free to engage in more personal errands and activities such as seeing family and friends, catching up on laundry, getting oil changes, etc). And since Fr. Kevin's assignment will be split between the parish and the hospitals, his salary and room and board will also be split, beginning on November 1st.

The Bishop has indicated that Fr. Kevin's split assignment will continue through June of 2022, at which point we will see where things stand.

A totally different development: A new Catholic young adult group is forming in our parish! Please encourage any young adult parishioners to come to the Cathedral on Friday night for the restarted "Hour of Power" followed by a kick-off of a new young adult group: Casco Bay Catholics!

Sending prayers for your families,

Fr. Seamus

Faith Formation

Jesus tells us what the greatest commandment is: You shall love the Lord your God with all your heart, with all your soul, with all your mind, and with all your strength. He teaches us that we are to both love God and love our neighbor as ourselves. Our neighbors aren't just the people who live close to us. Everyone is our neighbor. When we do these loving things for others, we aren't just showing love for our neighbors. We are also showing our love for God and shining the light of God's love on others.

Are you Considering Senior Living?

"I had some concerns, as I suspect most people entering senior living may have, regarding our social lives and whether we would develop friends here. Not only have my wife and I been able to maintain existing relationships but we have met several new people here... people we now consider to be our friends. The life enrichment program is designed to nurture interaction between people. The hostess in the Main Dining Room seats new guests with compatible table mates and within days, individuals become neighbors and friends. The floor we live on has become our new neighborhood. The people living here seem to understand that all of us have been new to The Park Danforth at some point. Everyone is so friendly here. My wife and I could not feel more at home."
