## ***Cluster Mission Statement***

We, the people of the Portland Peninsula and Island Parishes, are a diverse and multicultural community of Roman Catholics seeking to draw ourselves and others into deeper union with God through the celebration of the Sacraments, the proclamation of the Gospel, and service to our neighbor. We welcome all to share in the beauty of our Catholic faith and traditions as we strive to witness the love of Jesus Christ present among us.

Dear Parishioners,

Back to Ordinary Time we go. This winter chapter between Christmas and Lent is brief, and usually a little less pastorally demanding around the parish than other times of the year. This deep-winter lull allows for us to do needed planning and preparing for the coming year – like a farmer who is ordering seeds in preparation for the growing season.

One thing we now need to factor into this planning is that our Pastoral Life Coordinator, Bob McDermott, has decided to take a position that opened up with the Diocese of Portland as the new Director of Safe Environment. It has been a pleasure to work with Bob since I arrived here in Portland, and his calming demeanor and generous efforts will be greatly missed here on staff, even though he assures me he will remain an active parishioner. Bob will remain on staff until the end of January, and I encourage you to please stop him when you see him and thank him for his service to our parishes.

In considering how to proceed forward, the staff and I have been in discussions that will continue with the pastoral council in the days ahead. Of particular importance to me is to ensure that we are bringing adequate pastoral resources to bear in service of the many linguistic and ethnic communities of the parish, elderly and shut ins, and youth and young adults. I will be updating you next week as to the decisions that we make regarding staffing to meet these needs. I plan to begin advertising the position or positions this month, with the goal of filling them by the beginning of Lent. Please pray to St. Joseph, patron saint of workers, as we go about this process.

A note that we continue our search for a full time Director of Pastoral Communications. We have had a few inquiries, and I think some promising leads. In today's work environment these things take time, we will wait until we find the right person for this critical position. In the meantime, I am so grateful for our current staff for their dedication and service. We are blessed to have a great staff in our parishes.

I hope that you and your families are staying warm and finding time to catch up, plan, pray, and relax during these winter months. In Christ,

  
Fr. Seamus

# FAITH FORMATION

## Children's Weekly Gospel Reflection

Today we hear about the story of John the Baptist when he baptized Jesus. After Jesus was baptized, he prayed and the Holy Spirit came to him. The Holy Spirit comes to us in Baptism. We become members of God's family. God is our Father. We are brothers and sisters in Christ. As members of God's family, we take care of one another and welcome new members. Baptism is a new beginning. We begin to fulfill our baptismal promises to follow Jesus and be like him as we spread the good news to all that we meet.

## Are you Considering Senior Living?

“ I had some concerns, as I suspect most people entering senior living may have, regarding our social lives and whether we would develop friends here. Not only have my wife and I been able to maintain existing relationships but we have met several new people here... people we now consider to be our friends. The life enrichment program is designed to nurture interaction between people. The hostess in the Main Dining Room seats new guests with compatible table mates and within days, individuals become neighbors and friends. The floor we live on has become our new neighborhood. The people living here seem to understand that all of us have been new to The Park Danforth at some point. Everyone is so friendly here. My wife and I could not feel more at home. ”
