## *Cluster Mission Statement*

We, the people of the Portland Peninsula and Island Parishes, are a diverse and multicultural community of Roman Catholics seeking to draw ourselves and others into deeper union with God through the celebration of the Sacraments, the proclamation of the Gospel, and service to our neighbor. We welcome all to share in the beauty of our Catholic faith and traditions as we strive to witness the love of Jesus Christ present among us.

Dear Parishioners,

On page 6 of this weekend's bulletin you will find a summary of the finances of our parishes for the July 1, 2020 – June 30, 2021 fiscal year. With all the adjusting and settling in over these last months, this report is coming out later than I would like and is narrowly focused on the “bottom line” – so to speak, but it is important for parishioners to be aware of how our parishes have been financially faring through the pandemic.

The good news is that, even if you take out the “PPP” grants and a few large gifts that were received over the course of the 2020-2021 fiscal year, the offertory giving of our parishioners combined with rental income was enough to sustain us through some very challenging times. It is so encouraging to see the way that everyone has chipped in to help get through this crazy time together – not just monetarily, but with all the time and attention that many of you gave so generously. I am very grateful to Deacon Luis for pulling this financial data together, and for his tireless work to ensure that our parishes are good stewards of the earthly resources entrusted to our care.

Offertory giving has held quite strong this fall and winter, and our parishes have also been quite generous in contributing to the needs of the local food pantries, Catholic charities, and the diocesan appeal, among so many other important causes. Expenses are going up a bit as we resume some of the important activities and ministries of the parish, and inflation is also driving up costs in some areas. As we begin this new year, I have upped my own monthly online contribution to help keep up with inflation, and certainly encourage you to do the same if you are able. It is important for us to be able to come out of this pandemic on a strong financial footing so that we can make the kinds of ministerial and infrastructure investments that are needed to keep our parishes strong and vibrant.

Slowly we are bringing liturgical ministries back and expanding them, with all the training and scheduling that is entailed. Faith formation activities continue to increase, with active groups of middle school students and young adults forming in just the last few months, and other initiatives in the planning stages for this spring and summer. I have been talking with parishioners and staff about various kinds of outreach, parish gatherings and other celebrations we hope to get off the ground soon to strengthen and build community. We are making investments in our infrastructure on every campus: confessionals, lighting, phone systems, sound systems, heating systems, decks and bricks – you name it. And in the midst of all of this, the heartbeat of our Sunday Masses and daily sacramental and ministerial life of our parishes must continue (just look at all the things happening in one week's schedule on the next page!).

To have come through these last two years and be as strong as we are signals to me that we have a resilient Catholic community that is alive in the Holy Spirit and capable of many good things in the years ahead. Thank you for all you give to our parishes: your financial support, your time volunteering and helping in so many areas, and your prayerful support and concern. Know of my prayers for you and your families!

# ANNUAL SUMMARIZED FINANCIAL REPORT

The fiscal year of July 1, 2020 through June 30, 2021 was definitely a challenging one and the financial results do illustrate this fact. With so many difficulties, it is quite remarkable that financially all five parishes were able to meet their financial responsibilities with some even increasing savings. Expenses were reduced in an effort to combat a lower offertory and this did help considerably. It is important to note that some of our parishes do have a significant reliance on rental income. But through hard work, sacrifice and ingenuity, all parishes continue to have a solid financial standing and base from which to continue our ministries and grow the Faith. The fiscal health of our parishes in such tumultuous times is a testament to your steadfast generosity, generosity that is so critical in our common effort to strengthen and grow parish life. Thank you to all who continue to provide this life-giving support to our Parishes. I am grateful to be serving parishes with such committed communities. Your support helps keep these parishes alive and growing, regardless of the challenges.

Respectfully yours,  
Deacon Luis Sanclemente, Business Coordinator

## Are you Considering Senior Living?

“ I had some concerns, as I suspect most people entering senior living may have, regarding our social lives and whether we would develop friends here. Not only have my wife and I been able to maintain existing relationships but we have met several new people here... people we now consider to be our friends. The life enrichment program is designed to nurture interaction between people. The hostess in the Main Dining Room seats new guests with compatible table mates and within days, individuals become neighbors and friends. The floor we live on has become our new neighborhood. The people living here seem to understand that all of us have been new to The Park Danforth at some point. Everyone is so friendly here. My wife and I could not feel more at home. ”
