28TH SUNDAY IN ORDINARY TIME

——
"For human beings it is impossible, but not for God.
All things are possible for God." -Mk 10:27

OCTOBER 13, 2024

From our PASTOR

"The Rosary is my favorite prayer." —Pope Saint John Paul II

Dear parishioners,

It is October, and, like the month of May, it is a month dedicated to the Blessed Virgin Mary. October is especially dedicated to the devotion of the Rosary.

The Rosary was revealed in a private revelation to Saint Dominic, the founder of the Dominican Order, by Our Lady. So powerful was the effect of the Rosary that it was soon used throughout the Church.

Another of the great saints of Marian devotion, Saint Louis de Montfort, promoted devotion to Our Lady through the Rosary. His motto is a prayer of entrustment to Our Lady—*Totus tuus ego sum*—"I am all yours." Based on that, Pope Saint John Paul II took the phrase *Totus tuus* as his episcopal motto.

I hope you don't find that I talk about the Rosary too much. It is such a powerful, and yet simple and accessible devotion which brings so much blessing. It has withstood the test of time and rightly earned its place as the principle devotion of the Church, shared by all in the Church, laity, consecrated women and men, clergy—and even practiced by some outside the Church.

When St. Alphonsus of Liguori was already old, sick, and in a wheelchair, a lay brother used to wheel him around the cloister of his monastery in the evening so he could take some fresh air. Engaging the brother in conversation, St. Alphonsus asked him:

"Did you pray your rosary today?"

"I don't remember," the brother answered.

"Then, let us pray it now," the Saint said.

"But you are already so tired. What difference does it make if we don't pray the rosary for one day?" protested the brother.

St. Alphonsus answered: "If I did not pray my rosary for even one day, I would fear for my eternal salvation."

That a saint felt this way is compelling for me—especially such a holy and approachable saint as Saint Alphonsus Liguori. He suffered greatly from physical and mental ailments, yet he was always cheerful and helpful. I believe the Rosary had a lot to do with that.

When I am tense, agitated, and worried; when I am unable to deal with things and feeling at a loss; I find that if I turn to the Rosary, it only takes until about halfway through the first decade that I experience that peace which surpasses all understanding. I am not saying that I always see my way out of the difficulties in which I have found myself, but that experience of divine peace saves me from the negative effects which I feel myself being pulled toward.

As Saint Louis de Montfort, Saint Alphonsus Liguori, Pope Saint John Paul II, and our Blessed Mother remind us, we should turn to the Rosary daily, and more often when needed. The daily Rosary is a guarantee of final perseverance and fidelity, and we need that in these times.

Love and peace,
Father Liam Quinlan

Saint John PRESCHOOL

FALL FAMILY PHOTO FUNDRAISER

Don't miss out on your opportunity to take part in the Saint John Preschool Fall Family Photo Fundraiser! Photos will be taken by Kathy Sweet of Sweet Shots Photography on **Saturday, October 19th** and **Sunday, October 27th** at Tilley Pond Park in Darien. Proceeds from this event will go toward the preschool's enrichment activities. The sitting fee is \$50 for a 15 minute time slot (scheduled **between 9:00 AM–4:30 PM**). The photographer generously donates this \$50 fee directly back to the school's Parents Association, as well as 10% of all package sales. If you are interested in booking a session or getting more information, please contact Jamie Dalton, who is helping chair this program—email jamievictoriatomc@gmail.com or cell (860) 716-5467. Thank you in advance for your generous support!

On sacred MUSIC

Our first congregational hymn this week features a swapped tune—we will sing Jesus, the Very Thought of Thee to the tune of ST. AGNES, instead of the less popular ST. BERNARD listed in our hymnal. I'm looking forward to our other hymns, too—Dear Lord and Father of Mankind (REPTON) is one of our absolute favorites, and Now Thank We All Our God (NUN DANKET) feels just right for the fall season.

We chose Franz Schubert's classic *Ave Maria* as the Marian piece for the weekend. You'll hear it at communion.

The organ prelude is Graham Twist's Prelude on Repton—a piece I received as a gift directly from the composer—so I always try to play it well, in gratitude! The postlude is Léon Boëllmann's Menuet gothique, the second movement of his *Suite gothique*.

LIFE*Notes*

FOR A CULTURE OF LIFE AND A CIVILIZATION OF LOVE

Respect for Unborn Human Life: The Church's Constant Teaching, *an excellent article from the USCCB, clears up popular myths and opinions. Since the first century's Didache (Teaching of the Twelve Apostles), the Church's teachings have remained the same:*

“From earliest times, Christians sharply distinguished themselves from surrounding pagan cultures by rejecting abortion and infanticide. [...] In the 13th century, St. Thomas Aquinas made extensive use of Aristotle's thought, including his theory that the rational human soul is not present in the first few weeks of pregnancy. But he also rejected abortion as gravely wrong at every stage, observing that it is a sin 'against nature' to reject God's gift of a new life. [...] In 1827, with the discovery of the human ovum, the mistaken biology of Aristotle was discredited. [...] Given the scientific fact that a human life begins at conception, the only moral norm needed to understand the Church's opposition to abortion is the principle that each and every human life has inherent dignity, and thus must be treated with the respect due to a human person.”
