By family

Dear Parishioners,

Congratulations to the 23 candidates who will receive the sacrament of Confirmation this weekend. These students are completing their sacraments of initiation and will receive the gifts of the Holy Spirit to help them live out their baptismal call to holiness. Please keep our young adults in your prayer intentions.

Mrs. Clark and the faculty and staff have been tirelessly at work throughout the summer to prepare for the 2020-2021 academic year at Saint Joseph School. I am very pleased with all accommodations and protocols that we are implementing in accordance with all Department of Health, CDC, and RI Department of Education guidelines. I believe that our faculty's hard work has paid off as we will be ready to begin the school year as previously planned.

As I'm sure you have heard, the governor announced that public schools have pushed back their starting date for the academic year. We are awaiting guidance as to whether these changes will impact Catholic schools. The governor's press conference led me to believe the delay is due to school districts needing more time to properly plan and implement necessary change. We have submitted our plans to the Diocesan School Office, received feedback, and implemented additional changes for health and safety in accordance with the governor's recent guidance. I am confident that we are ready to begin our school year safely. Hopefully we will receive additional information from the governor's office soon. As soon as I know, I'll be sure to let our parish and school community know!

Have a great week and stay safe!

God Bless,

Father Stowe
