Dear Parishioners,

We began the 2020-2021 academic year at Saint Joseph School this past week. Our Prek-3, Prek 4, and Kindergarten students returned from Wednesday through Friday to get us started. It was truly a joy to see these little ones come back to school after six long months. We had a couple of tears as a few children missed being with mom and dad, but their friends and caring teachers quickly made them feel right at home.

We had to upgrade several aspects of the school for this academic year. Four school dads made a gift of their time and their talents to help our school meet the challenges of this year. Joe LaCroix donated labor and materials for our new nurse's office and business manager's office. Rob Bergantine and Jesse Roberts spent many hours and their technical expertise to upgrading our wifi networks, firewalls, classroom projectors, and other technology improvements. Jerry Lepore donated his time and materials for electrical upgrades in classrooms, offices, and in the rectory. Their dedication and service to our school is deeply appreciated. Thank you Joe, Rob, Jesse, and Jerry!

We are prepared to welcome all our students from grades prek—8th back to school this coming Tuesday. Mrs. Clark and our faculty and staff have spent countless hours over the summer preparing for this new year. Their dedication and hard work have paid off and we are ready to go. I am grateful for the many sacrifices our staff has made to get us to this point. The year will be a challenging one, but I am confident we are prepared to meet every challenge we will face.

Please keep our school community in your prayer intentions this coming week and throughout the school year. May the Holy Spirit protect, guide and bless our efforts to provide an excellent Catholic education to our students.

Have a great week and stay safe!

God Bless,
Father Stowe
