Dear Parishioners,

Our Religious Education Program got into the swing of things last week with virtual classes for grades 1-8. Our Confirmation Program is working with an online module course entitled “Called to Mercy.” If you haven’t registered yet for CCD classes, please email Mrs. Knott.

We are approaching the time of year that Saint Joseph School holds its Open House. Unfortunately, due to the current restrictions, we are not able to operate like a normal year. If you know any families interested in seeing our school, please have them call Mrs. Kelly to set up a time to meet with Mrs. Clark and tour the building. Appointments are being set up individually.

I cannot express how proud I am of the hard work our faculty and staff are doing this academic year. While we are hearing different public school districts are remaining distance learning for the year, our school continues to provide an excellent “in-person” education in a safe environment. We have some extra staffing this year to keep things running smoothly and to provide additional resources for our students. While we hope next year will return to a more “normal” learning environment, I am supremely confident that our school will continue to provide an excellent Catholic education no matter what the health restrictions may be.

The rectory office will be closed on Monday, January 18th in observation of Martin Luther King Day.

Have a great week and stay safe!

God Bless,

Father Stowe
Great News - Worldwide Marriage Encounter has gone "Virtual"!

To support married couples during this time of social distancing, Worldwide Marriage Encounter is sponsoring virtual marriage experiences. Couples will explore their individual personality styles, improve listening and communication skills, understand God’s plan for their marriage, and learn how to keep their relationship a priority. Registration is limited and a $100 application fee is required. For more information or to apply, call at or visit them at https://wwmema.org/.
