Dear Padre

June 16, 2019

Is there a simple way of understanding how I am to be a Catholic father?

I wish you and all fathers a Father’s Day filled with God’s protection of you and your family. May God surround you all with a circle of love!

The simplest way to understand fatherhood is to pray the Lord’s Prayer, the Our Father. This prayer was originally spoken in Aramaic, a language related to Hebrew. Aramaic was probably Jesus’ native tongue. The word Jesus used for “father” was an Aramaic word: abba, which means “papa” or “dad.” When we say the Our Father, we speak to God in a very intimate way; we pray to God not as a distant figure but as a close and comfortable member of the family. It is this rather shocking intimacy that Jesus wants to get across to his disciples when he teaches them to pray.

As you relate to God in a very intimate way, you should relate in the same manner to your spouse and family. Intimacy means closeness, involvement, love, and understanding. As a father, you must be physically present in the home. But more than just a physical presence is necessary. You must also seek an emotional closeness with your spouse and children. You must show a constant interest in their lives. Encourage them by doing things with them. You must strive constantly to reject anger, rage, or an unforgiving attitude, and instead embrace gentleness, encouragement, and understanding. God the Father does all of these things for us.

—Fr. Paul J. Coury, CSsR
