BISHOP’S FUND The Diocese continues to identify & apply new strategies for evangelization and to “open wide the doors for Christ,” such as our many youth ministry opportunities involving thousands of young people in rallies & retreats in every deanery; our men’s & women’s retreats; parish retreats & much more. Please visit bishopsappealvt.org for more information about Your Gift at Work. Every gift makes a difference no matter the size. “Jesus calls each one of us to discipleship-to live a life that proclaims Jesus Christ as Lord & Savior by embodying His love & mercy in our words & actions. We do so, not as individual who stand alone, but as members of the larger community of faith within the Diocese of Burlington who are nourished at our local parishes.”-Bishop Coyne.

Advanced Directive for Health Care:
A few years ago the diocese gave us forms for advanced directive for Catholics. Contact the office if you need one.
Dear Padre

July 28, 2019

During summer vacation my family turns into media hounds. We’re constantly streaming movies or going to the theater. Does the Church give guidelines for what we should watch?

The bishops of North America have a committee devoted to media and communications (uscob.org/about/communications/family-guide.cfm). This committee suggests that it’s the task of parents to educate their children on the influence of the media, to take responsibility for monitoring what media they use, and to become role models in the appropriate use of media.

The duty of the Catholic family is to affirm Christian values in its media choices. The first area to look at is how the film or program portrays human life. Is human life shown as a precious gift from God? Is sexuality linked to life? How is the act of dying presented? Are there moral consequences connected with the actors’ actions?

The second yardstick is how the family is presented. Does the movie promote lasting commitments within the context of marriage and the family? Is exploitation, oppression, or neglect of any group condoned or even promoted? Is respect shown for various cultures?

The final measurement concerns Scripture and Christian belief. Do your media choices foster a sense of the divine, of human destiny beyond this life, or our obligations to forgive and our need for forgiveness? Are compassion, reconciliation, thanksgiving, and moral responsibility affirmed?

All parents must take full responsibility to affirm strong Catholic morals when choosing their family’s movies and television programs.

—Fr. Paul J. Coury, CSsR
