Our St. Peter School begins classes on Monday in line with the Danbury Public schedule. We have some staffing changes this year and some physical changes which we are proud of. Our Principal hired a second grade and English language arts teacher. Last year, two weeks into class, the then newly hired second grade teacher, resigned to take a position in the public schools. Our Spanish/special education teacher stepped into the role. After a couple of weeks, the parents asked Mrs. Torre to keep her in 2nd grade as both they and their children loved her. That Amy consented to remain was a huge blessing as Mrs. Torre couldn't find anyone to hire. The new 2nd grade teacher is Lauren Galli, and Amy has move back to the third floor. Our English language arts teacher accepted a position two weeks ago in a private school where he can teach high as well as middle school students, a desire of his. We welcome Deanna DeVivirito to that class. In addition to the new hires, we welcome Paul Bellucci as our gym teacher. Paul is working on his Master's degree at Sacred Heart University and is part of a program with the diocese in which he gains classroom experience in one of our schools. Our parishioner, Marita Repole, has taken over as Pre-School Director. What a blessing it is for us. She is going to make a world of difference for our three and four year olds.

During the summer, we rearranged the furniture... again. The five foot distancing necessitated that we move grades with larger number of students went into one of the larger classrooms in the rear of the building, while smaller ones went to the front. The classrooms in the 1907 portion of the building are more generous in size than in the 1885 construction. Those moves mixed up the cohesiveness of the primary and middle school groupings. We restored the groupings. This year the distancing between students is 3 feet, so we were able to return teacher desks and bookshelves to the rooms. As for physical changes, the first floor has been transformed! It is brighter and beautiful. We are awaiting shipment of some trim and then some finishing touches, but one cannot help but be pleased with the fresh appearance.

While we are talking about school, I want to thank the Men's Society for holding the raffle to benefit the Sister Marita Daniel Scholarship Fund and all of you who purchased a ticket. There really is a place for Catholic education and specifically for this Catholic school. A few weeks ago a father came in with his 3rd grader, Juliesy. The parents live in the U.S. Juliesy was living with her grandmother in Central America. With her grandmother, and in the company of other adults, Juliesy was apprehended and separated from her grandmother.

TWENTY-SECOND SUNDAY IN ORDINARY TIME

You know the story of the children at the border. She lived in foster care until she was united with her parents here in town. Juliesy, who speaks English, was traumatized by the experience. Her parents looked for a school and decided on ours because they believe Juliesy will feel "safe" in our environment. Time and time again, parents tell Mrs. Torre and Martha our secretary that this school above others gives their children a sense of care and security. I think all educators try to provide this for students, but when the school is Catholic, families know that Christ and His Holy Spirit are here, and they want to be in His presence. This is certainly true of St. Peter School.

Parish Choir

A few weeks ago, I sent an email out to current choir members asking them what they liked about being a part of our parish choir. Here are some of their responses: "I get to spend time with a great group of people;" "I enjoy learning new music, and learning about the time period the music was written in." And my favorite response: "We get to learn about the relationship of the music we sing to our Church's teachings." Indeed, singing in the choir is not just about singing; it provides social and musical enrichment, faith formation, and can even be a source for stress relief! Please read the flyer in this week's bulletin to learn more about what it's like to be a part of our parish choir. Perhaps you might like to join us!

Interested in becoming a Catholic?

Are you an adult (18+) Catholic who has not received the Sacraments of Eucharist and/or Confirmation?

The **Rite of Christian Initiation of Adults (RCIA)** is the normative way in which non-Catholics – those unbaptized as well as those baptized into other Christian denominations – enter the Church. It is also the way baptized Catholics who never received any catechesis and didn't receive Eucharist and Confirmation complete their Sacraments of Initiation. The Inquiry Period begins on September 23 when we will begin weekly Thursday evening sessions for those who want to explore the process. To express interest or to learn more, please call the office (203-743-2707).
