A WELCOME ADDITION!

We have a new member of our faith formation team.

Brother Nathan Marzonie grew up in a large family in rural Michigan. He studied biology and chemistry at the University of

Michigan before entering the Oblates of the Virgin Mary in 2012. He made first vows as an Oblate in 2015 and is completing his final years of theology studies at St. John's Seminary before ordination. His interests include cultural and biblical studies, and he enjoys outdoor recreation, cooking, music, and learning languages. Brother Nathan will work with our Confirmation I students- thank you and welcome aboard!

Get your stuff together!

COMING SOON!

Come join the Morning Star Catholic Collaborative
for a Haiti Fundraiser!!

We are celebrating 20 years of twinning
with our sister parish, St. Joseph's in L'Asile.

**Join our two communities next Sunday
for the 11 am mass at Our Lady of Grace Parish.**

There will be a reception following in the parish hall.
Tickets are \$10 each, 5 years old and under are free.

Lunch, entertainment, Power Point presentation
and raffles, too!!

Please see members of the Haiti Committee at the
back of the church after masses to purchase tickets.

The Haiti Committee is looking for donations of
baskets or gift cards to be raffled off!

If you would like to donate or help defray the cost
of putting together a basket please drop off items
with a member of the Haiti Committee
at the back of the church after masses.

The Clergy Trust Collection

*Thank you for your generous donation. The diocese-wide collection
will support the Clergy Health and Retirement Trust which cares
for the health and well-being of our 590 Boston Priests. Our priests
are always there for us; they share Christ's good news, joyfully
perform good works, and spread good faith to all they encounter.
You can show your gratitude by giving generously to the collection.
You are also invited to make your gift online at clergytrust.org.*

FROM BISHOP O'CONNELL

On Tuesday, Sept. 25, there will be a special Mass of the Holy Spirit for the Purification and Healing of the Church, at St. Theresa Parish, 63 Winter St, No. Reading. All of our prayers will be focusing on the purification of our Church which God is calling us all to participate in. Beginning at 6 pm, there will be Adoration, praying of the rosary and opportunities for confessions. At 7, Bishop Mark O'Connell will celebrate the Mass.

On Tuesday, Oct. 16 at 7 pm, St. Theresa Parish in North Reading will be holding a Rosary for Healing and Protection to pray for victims of abuse including those abused by clergy. This event is in collaboration the Archdiocesan Office of Pastoral Support & Child Protection.

Bishop O'Connell will also have Q & A sessions throughout the region. He is open and willing to discuss the current climate and issues in the Church. At these events, he will first listen to anything you need or want to say to him as a bishop about the crisis, and then he will answer questions about the crisis or the Church.

We get our analysis about so many issues too often from the wrong places. Our society is so antagonistic that the loudest voices are often the most extreme. Bishop O'Connell has a lot of experience dealing with these issues. Your comments, concerns and anger will help inform him for future important meetings. He values your questions and concerns and hopes that you can come.

Sessions that are scheduled are:

Thursday, Sept. 20, 6:30 to 8 pm

at St. Pius V Parish, 215 Maple St., Lynn.

Tuesday, Oct. 9, 6:30 to 8 pm

at Immaculate Conception Parish, 487 Broadway, Everett.

Sunday, Oct. 28, 3 to 4:30 pm

at St. Theresa Parish, North Reading.

PLASTICS

The Story of Microfibers

Most of us wear synthetic fabrics like polyester every day. Our dress shirts, yoga pants, fleeces, and even our underwear are all increasingly made of synthetic materials—plastic. But these synthetic fabrics, from which 60% of clothing on earth is made, have a big hidden problem: when they're washed, they release tiny plastic bits—called microfibers—that flow down our drains, through water treatment plants and out into our rivers, lakes and oceans by the billions. If you would like further information, check out the story of microfibers at youtu.be/BakekY5tKy —Earth Day Network
