# THE ASSUMPTION OF THE BLESSED VIRGIN MARY

---

## POPE REFLECTS ON JESUS' WORDS: 'I AM THE BREAD OF LIFE'

"What does *bread of life* mean? We need bread to live. Those who are hungry do not ask for refined and expensive food, they ask for bread. Those who are unemployed do not ask for enormous wages, but the "bread" of employment. Jesus reveals himself as bread, that is, the essential, what is necessary for everyday life; without Him it does not work. Not *one* bread among many others, but *the* bread of life. In other words, without him, rather than living, we get by: because he alone nourishes the soul; he alone forgives us from that evil that we cannot overcome on our own; he alone makes us feel loved even if everyone else disappoints us; he alone gives us the strength to love and, he alone gives us the strength to forgive in difficulties; he alone gives that peace to the heart that it is searching for; he alone gives eternal life when life here on earth ends. He is the essential bread of life *I am the bread of life*, He says. Let us pause on this beautiful image of Jesus. He could have offered a rationale, a demonstration, but – we know – Jesus speaks in parables, and in this expression: "I am the bread of life", he truly sums up his entire being and mission. This will be seen completely at the end, at the Last Supper. Jesus knows that the Father is asking him not only to give food to people, but to give himself, to break himself, his own life, his own flesh, his own heart so that we might have life. These words of the Lord reawaken in us *our amazement for the gift of the Eucharist*. No one in this world, as much they might love another person, can make themselves become food for them. God did so, and does so, for us. Let us renew this amazement. Let us do so as we adore the Bread of Life, because adoration fills life with amazement. In the Gospel, however, rather than being amazed, the people are scandalized, they rend their clothing. They think: "We know this Jesus, we know his family. How can he say, 'I am the bread which came down from heaven'?" . Perhaps we too might be scandalized: it might make us more comfortable to have a God who stays in heaven without getting involved in our life, while we can manage matters here on earth. Instead, God became man to enter into the concrete reality of this world; to enter into our concrete reality, God became man for me, for you, for all of us, in order to enter into our life. And He is interested in every aspect of our life. We can tell him about what we are feeling, our work, our day, our heartache, our anguish, so many things. We can tell Him everything because Jesus wants this intimacy with us. What does he not want? To be relegated to being considered a side dish – he who is Bread –, to be overlooked and set aside, or called on only when we need him. *I am the bread of life*. At least once a day we find ourselves eating together; perhaps in the evening with our family, after a day of work or study. It would be lovely, before breaking bread, to invite Jesus, the bread of Life, to ask him simply to bless what we have done and what we have failed to do. Let us invite him into our home; let us pray in a "homey" style. Jesus will be at the table with us and we will be fed by a greater love. May the Virgin Mary, in whom the Word became flesh, help us to grow day after day in friendship with Jesus, the bread of Life."

## MARY, MOST HOLY, PRAY FOR YOUNG PEOPLE TO ANSWER YOUR SON'S CALL!

O Virgin Mary, Mother of Jesus and Mother of the Church, to you we commend our young people, in particular those called to follow your Son as brothers, sisters, and priests. You know, O Mary, the struggles, doubts, and obstacles they must face. Assist them to answer Yes to the divine call, as you did at the invitation of the angel. Draw them near to your heart so that they can understand the joy that awaits them when they answer your Son's call to be witnesses of His love in the world.

## SOUTH KOREA HONORS FATHER KAPAUN WITH COUNTRY'S HIGHEST MILITARY HONOR

**WICHITA, KANSAS** - The Catholic News Service reported that Father Emil Kapaun, a priest of the Wichita Diocese who laid down his life as a military chaplain during the Korean War, received South Korea's highest military decoration posthumously in Seoul. Ray Kapaun, Father Kapaun's nephew, accepted the Order of Military Merit on behalf his uncle, a candidate for sainthood, from President Moon Jae-in.

The award, South Korea's highest decoration for outstanding military service, was given to the "Jesus of the Korean War," as Father Kapaun is known, for his dedication to peace and freedom on the battlefields of Korea. It was presented on the 71st U.N. Forces Participation Day. Father Kapaun, who has the title "Servant of God," was ordained a priest for Wichita June 9, 1940. He served as a U.S. Army chaplain in World War II and the Korean War and held the rank of captain. He died in 1951 in a North Korean POW camp after heroically serving his fellow prisoners. His cause for canonization is now under consideration by the Vatican Congregation for Saints' Causes. "Under the extreme situation of being wounded and taken prisoner, Father Kapaun showed bravery of protecting freedom, peace and his belief," said Moon, according to a Korea Times story on the award presentation. "Also, he celebrated Mass to pray for the enemy, which was a true practice of love," said Moon, who is Catholic. He added the late priest's life "will become a great spiritual legacy for not only the U.S. and Korea but also for all of humanity." In March, Father Kapaun's remains were identified by the U.S. Defense POW/MIA Accounting Agency from among nearly 800 unknown soldiers buried around 1956 in the National Memorial Cemetery of the Pacific in Honolulu. The transfer from North Korea was the result of the 1953 Korean Armistice Agreement.

His remains will be flown to Kansas after a Mass Sept. 23 in Honolulu's Cathedral Basilica of Our Lady of Peace. A vigil will be held the evening of Sept. 28 at Hartman Arena in Park City, Kansas, just outside Wichita. A morning funeral Mass will be celebrated at the arena the next day. Afterward the priest's remains will be entombed in the Cathedral of the Immaculate Conception in Wichita. Father Kapaun will be in front of the large crucifix in the east apse of the cathedral, which was moved closer to the wall to make room for Father Kapaun's tomb. The foundation originally under the cross is being reinforced for the 5,500-pound marble vault. "In addition to the liturgical events, we're working with officials to give Father Kapaun all the military honors and we're receiving a lot of RSVPs from all over the country from those in the military and lay faithful who wish to pay their respects," Scott Carter, coordinator of the Father Kapaun Guild, told The Catholic Advance, Wichita's diocesan newspaper. "It's going to be a momentous event." Diocesan officials are preparing for visits and pilgrimages to the cathedral after Father Kapaun's remains are entombed. "There are a lot of people excited to have him back," Carter said. "There is a lot of attention now nationally and internationally." In South Korea The Korea Times also reported that Moon said that Father Kapaun's "sacrifice and commitment" — and that of the others he honored the same day from 22 countries — "have become the pride of the Republic of Korea." Carter said a Catholic publishing company in Korea is republishing "The Story of Chaplain Kapaun: Patriot Priest of the Korean Conflict," published in 1954 by the late Msgr. Arthur Tonne. The book was translated into Korean by a South Korean cardinal when he was a seminarian.

In a 2013 White House ceremony, Father Kapaun was awarded the Medal of Honor posthumously for his heroic actions on the battlefield. It is the United States' highest military honor.
