From the Pastor

Providence Haiti Outreach to Speak at our Parish November 16-17

Elsewhere in this week's bulletin, there is an announcement about Providence Haiti Outreach, a non profit organization that has been sponsoring St. Dominique Catholic School in Marigot, Haiti since it's founding by the late Pat Pezzelli in the 1980s. For the past 35 years, Providence Haiti Outreach has been run by Pat's daughter, Susuan Whipple, who is a long time Ss. John and Paul Parishioner, residing here in the summer at the Pezzelli family's summer home on Johnson's Pond.

While I came to know Sue and her husband six years ago when I became Pastor, I had known previously about Providence Haiti Outreach, as several good priests of our Diocese were very involved with them, namely Fr. Wilfred Gregoire, Fr. Robert Perron, and Fr. Francis Guidice, all who have gone home to the Lord. So when I found out Sue was a parishioner here, I began to personally support the good work she's been doing to these poorest of school children in rural Haiti.

As mentioned in the bulletin announcement, St. Dominique School began 35 years ago with 50 children, and today it has grown to educate and feed daily over 700 children from pre-K to High School. Since their founding, they've educated over 14,000 children, and recently the school graduated 92.3% of their High School Class, in a country that has a 12.5% High School Graduation rate!

Susan recently received permission from the Diocese of Providence to reach out to our Parishes and Schools, to share with them the good work Providence Haiti Outreach has been doing, and to invite parishioners and others to help them with their donations and partnerships. **On November 16-17 at all the weekend Masses, Susan will speak after Communion about Providence Haiti Outreach, and flyers and envelopes will be at the doors of the Church for those who wish to contribute or find out more about them (note that no collection will be taken up during the Mass, it will be similar to when the Little Sisters of the Poor come).** In addition, Susan recently met with our School Principal Kevin Peloquin, and Fr. Doyle School plans on having a fund raiser for the school in the future, as well as having classrooms from our school and theirs get together through a zoom meeting!

As mentioned above, I've been personally financially supporting the great work our summewr parishioner Susuan Whipple is doing through Providence Haiti Outreach, and I'm very happy to be helping continue the 35 year relationship they have had with the priests and parishes of our Diocese of Providence; I hope you prayerfully consider joining me in supporting them when they come to speak at our parish November 16 and 17!

God bless, Fr. Woolley

Dear Fellow Parishioners,

**My name is Susan Whipple, and I am the Director of Providence Haiti Outreach.**

My husband Thom and I are parishioners here at Saints John and Paul. We are also residents at Johnson's Pond where my family has enjoyed summers for the past 60 years. I have been the owner of Cedar Crest Nursing Centre and Cedar Home Health for 35 years and have been pleased to care for many people in this community.

Back in the 1980's my father, Pat Pezzelli, responded to an ad in the *Providence Visitor* to join a missionary trip to Marigot, Haiti, with Reverend Francis Giudice, rector of St. Peter and Paul Cathedral in Providence. **It was a life-changing experience for my father who marveled at the joyousness of the Haitian people despite their extreme poverty.** Upon return, Father Giudice and he began fundraising to build an orphanage for fifty children. Unfortunately, briefly into this endeavor, my dad passed away.

Father Giudice and my dad had bonded with their love of Christ, the Haitian people and Italian heritage. Therefore, Father Giudice turned to me to help continue their mission. They were successful in building the envisioned orphanage, not knowing that the community preferred a school for their children. **35 years later, the St. Dominique/Pat Pezzelli Memorial School educates and feeds daily over 700 children from pre-K through high school.** The beautiful campus has classrooms, a computer lab, library, modern kitchen, health clinic, soccer field, basketball courts, and solar power that operates a clean water system. We feel blessed that the St Dominique has become a premiere school in the country, graduating 95% of its students versus the national average of 12%!

It has always been challenging to keep our mission going. **We have survived earthquakes, famine, drought, and political unrest with the guidance of a wonderful succession of priests.** Father Giudice, Father Robert Perron and Father Gregoire, along with their loyal and generous supporters, both sustained and grew St. Dominique School. Sadly, each of our founding pastors passed which resulted in the loss of many followers.

**I have always believed that when one door closes, another opens.** Recently with the support of Father Michael Woolley and Rev. Monsignor Albert Kenney, The Diocese of Providence gave us permission to reach out to Rhode Island's Catholic parishes. Our purpose is to spread our story to bring awareness and support to these needy children. **Father Woolley has also allowed us to meet with Father John Doyle School. Our hope is that your students and ours will form a genuine bond and grow spiritually by learning to understand and empathize with each other.**

Providence Haiti Outreach has become known as, "a little organization that does big things for the children of Haiti." **As volunteers with no offices and few expenses, we ensure that 90% of every dollar donated reaches our school.** I want to thank you for the opportunity to introduce our mission. To learn more, please visit our website at [www.provhaitioutreach.org](http://www.provhaitioutreach.org). Please feel free to reach out to me at [swhipple@provhaitioutreach.org](mailto:swhipple@provhaitioutreach.org).

Sincerely,

Susan K. Whipple
