FAITH FORMATION

VOLUNTEERS NEEDED

This year's faith formation program combines at-home learning with eleven, two-hour monthly family meetings on the second Saturday evening of each month. Parents meet with Fr. Patrick while the children gather for activities and discussion based on their lessons. After about an hour, families come back together to complete an activity or play a game as a family. Our volunteers have typically been parents of children attending faith formation, however, we are hoping to have all parents able to attend the sessions with Fr. Patrick. So, we are hoping to find a few volunteers to assist with the children and the final activity at each class. If this is something you might be called to do, please contact Beth at prayn4uall@gmail.com for further information. Thank you for supporting our parish family!!

As I write this, December 29th, we have not yet been assigned a priest to cover for me Sunday, January 9th as I travel to Texas. As you have read in last week's column, I am this week for an in-person course on Church Business and Administration. I pray that there will be a priest willing to travel on a January Sunday to cover two small Masses. If by Providence this did not happen, we will need to learn how to be flexible as a parish community and gather for a single Mass (in this instance 4 PM Saturday). As reality is very clear; one single Mass is sufficient for us to gather and still have ample room for social distancing. The fact that we have Three Sunday Masses for such a small parish community is a tremendous blessing and privilege. Before anyone may complain that "their Mass" got cancelled this weekend; please remember that it has been since October, 2018 that I have not been here to celebrate Sunday Masses.

Next weekend the Diocese will take up the annual collection to support the education and training of our Seminarians. These are the men who are preparing, God willing, to become priests to serve in N.H. At a minimum, if a man has completed his college degree, it takes 4-6 years of Major Seminary for him to be ordained.

When I was in seminary, more than twenty years ago, the annual tuition with room and board was about \$10,000 a year. Today, if tuition were \$25,000 (most likely a lot higher) it would cost at least \$100,000 for one man to become a priest. So, if we desire priests to be standing at our altars on every Sunday, even the Sundays when the pastor cannot be present, then we must do our part to support the education and training of our seminarians. As with all things, we must also pray for them and encourage young men to consider a life of service to the Church and to our parishes in N.H.

As we conclude the Christmas Season with the Lord's Baptism, I am extremely grateful for the new people who came forward this year to help prepare and decorate our churches for Christmas! Many hands do not make for lighter work, but it does make the work get accomplished more quickly. Even though we are so few in the pews, decorating for Christmas is one of the essential necessary parts of being a parish community. How can we welcome Christ into our hearts and live His Gospel if we cannot even decorate the church for His birth and to welcome those who come to worship? May all who have adored Christ in these Houses of Bread be set afire with a new fervor for their faith and an eagerness to spread Good News!
