Welcome to Saint Nicholas Parish!

We are glad you have joined us for worship. We invite you to join in our worship and singing as much as you feel comfortable. Songbooks can be found at the back of church near the entrances. Restrooms are in the back of church to the right of the stained glass window. A cry room can be found on the left side of church. Please let an usher know if you need anything. We hope you will come again soon.

Parish Vision Statement

Saint Nicholas Catholic Church is a community of grace, healing and salvation. Jesus Christ and his Gospel are the heart of our parish and it is in this sanctuary that we find a sense of meaning and purpose. The celebrations of Mass and the sacraments are the means by which we give glory to God. The Eucharist is the food that nourishes our life with Christ, and in him alone do we have faith and find our hope. Our love for Jesus makes us willing to share our time, talent and treasure with our neighbors on earth to build the Kingdom of God. St. Nicholas Church is our support and our family, and we welcome all to join us in worship and service.

"Her Treatments are Life-Changing"

A local acupuncturist is helping folks live free from the suffering of CHRONIC PAIN

Richard S.. of Laurel, MD found himself living in constant pain. He had received a diagnosis of peripheral neuropathy and everyday he felt as though he was walking on pins and needles. He was becoming weaker and weaker. "I was beginning to be worried that one day I would be wheelchair-bound."

Unfortunately Richard's story is all too familiar for those living with chronic pain.

Whether it's the numbness or tingling from NEUROPATHY, the burning pain of SCIATICA, the unbearable swelling and stiffness of ARTHRITIS, or the constant fatigue associated with FIBROMYALGIA, chronic pain makes it difficult to do things others take for granted.

Often, the only solution doctors have for these complex conditions are surgery or prescription medications with no guarantee of success.

PAIN-RELIEVING TREATMENTS FOR:

Migraines	Fibromyalgia
Back Pain	Neuropathy
Knee Pain	Arthritis
Fatigue	Sciatica
Stress/Anxiety	

Fortunately for Richard, a local licensed acupuncturist, Shiopei Low, is using the time-tested science of Acupuncture and modern technology, originally developed by NASA to assist in increasing blood flow and expediting recovery, to treat these conditions.

"We have a beach condo on the second floor. One morning after treatments I walked right down the stairs and got in the car," Richard shared. "I remember thinking 'that's become so easy for me', I didn't have to hold on to the handrail or anything! It's life-changing to have my strength and mobility back!"

The kind of treatments Shiopei Low, L.Ac provides has been reversing the effects of conditions like Neuropathy, Sciatica, Arthritis, and Fibromyalgia for over 20 years without invasive surgeries or medications that come with uncomfortable side effects. If you're living a life of constant pain and discomfort, Shiopei Low, L.Ac at Patapsco Acupuncture & Integrative Medicine can help!

Shiopei is now accepting new patients but only for a limited time. To determine whether or not you are a good candidate for her personalized and comprehensive treatments an initial consultation is required.
