Age Friendly Parish Workshop

SAVE the DATE

One thing we all have in common is we are all aging. Getting older can bring up questions and challenges, but also opportunities and spiritual blessings. We want to live healthy, engaged, secure lives as we age and continue to be active participants in our parish community. Building an age friendly parish ensures that we can get the support we need as we age.

Join us at St. Maximilian Kolbe Church on the morning of **January 22** to discuss the spiritual blessings of aging and learning about important resources and supports. Provide input into how our parish can be age-friendly.

More details will appear in future bulletins.

St. Maximilian Kolbe Receives New Votive Stand & Candles

Bob and Cheryl Morin recently donated a votive stand with candles to St. Maximilian Kolbe Church. This is the third stand that Bob has made and donated, with the other two at Holy Cross and St. Bartholomew Churches. Burning votive candles are a common sight in most Catholic churches. Lighting a candle for someone is a way to both extend your prayers and show solidarity with the person the prayer is being made on behalf of. The faithful also light candles as a sign of gratitude to God for answered prayers. Thank you, Bob and Cheryl, for this wonderful gift!

WORLD DAY OF SICK

In 1992, Pope St. John Paul II established February 11 as the World Day of the Sick. It is an opportunity to pray specifically for the sick and those who minister and care for them.

An Anointing of the Sick Mass will be held at Holy Cross Church on February 12 at 10:00 a.m. More information about the history of the World Day of the Sick and who should receive the Anointing of the Sick will be covered in upcoming bulletins.

Did You Know?

Dropped Host

What happens to a consecrated host if it accidentally falls to the ground?

This a very practical question because, as we all know, accidents happen, even during the most careful celebration of the liturgy. The short answer to this question is that nothing happens to the consecrated host. The Real Presence of Jesus remains in the consecrated host or any consecrated wine that might accidentally be spilled.

Another question we might ask is: *How should the ministers respond if the Eucharist is dropped or spilled?* If this happens, the priest, deacon, or extraordinary minister of holy Communion should immediately pick up the dropped host and consume it. If it is a case of the Precious Blood being spilled, the minister would use the purificator (and additional purificators if needed) to clean the spill and then the area should be reverently washed as soon as the Mass is over and the water poured into the sacarium (a special sink that is located in church sacristies for reverently disposing of holy water, the water used to clean sacred vessels, etc.).

Knights Notes

Just one of the many reasons I enjoy being a Knight of Columbus:

"The Knights' fundraisers includes the Family Breakfasts. It's great to spend time with your Brother Knights laughing and talking while working at the church, 'God's House'. After the cooking, serving, and cleanup are completed, it's rewarding knowing a few hours of your time and effort has raised money to support a worthy charity."

Did You Know?

Epiphany

Besides the Wise Men, what is significant about the Epiphany?

Epiphany means "manifestation," or public display. The feast is usually celebrated January 6. In the US, it is celebrated on the Sunday nearest to January 6. It originates from a story unique to Matthew (2:1-12). Magi from the East come to offer homage to the newborn King, presenting him with gifts of gold, frankincense, and myrrh.

This part of Matthew's infancy narrative differs from Luke's account of the birth of Jesus. In Luke there are no Magi, star, nor gifts. Luke has Jesus being born in a stable after Mary and Joseph's long travel from Nazareth to Bethlehem. Matthew seems to have the family living in a house in Bethlehem, where the Magi find them.

Why these differences? They stem from the needs and concerns of the audience the authors were addressing, as well as the theological stance of each author. Knowing the original intention helps get at the correct interpretation of the text.

Since Matthew was writing primarily to a Jewish community, his concern was to show that Jesus did not come just for Jews, but for Gentiles as well. From his very birth, Jesus not only manifests himself to Jews, but also to Gentiles, who are prominently included in the manifestation, symbolized by the Magi and their journey. This is the most significant aspect of the feast of Epiphany. How do you manifest Jesus to all with whom you come into contact?
