### Collection for Priests' Retirement

This year on Ash Wednesday the parishes of our diocese will begin an annual collection to support the retirement needs of our diocesan priests. In 2019 a committee appointed by Bishop McManus examined the suitability and sustainability of retirement benefits for our retired diocesan priests. The annual health insurance and housing costs along with monthly stipends for our retired priests have recently been running from \$2.2 - \$2.6 million. Even with revenue from Celebrate Priesthood, Partners in Charity, the Legacy of Hope Capital Campaign, the endowments from the Forward in Faith Capital Campaign, parish assessments, and other restricted funds and donations, the costs of caring for our 50+ retired priests exceeds our revenue, in 2020 by \$266,810. After reviewing the committee's report and receiving input from the priests of our diocese, Bishop McManus is instituting an annual Ash Wednesday Collection for Priest Retirement as one part of the diocese's renewed efforts to care for our retired priests. Please consider a donation to the Ash Wednesday Collection to support those who have given their lives in service to the people of the Diocese of Worcester. Review the Retirement Report Summary found on the Diocesan Website to learn more— [www.worcesterdiocese.org](http://www.worcesterdiocese.org). Thank you.

### WORD OF LIFE

***"Brothers and sisters:  
I should like you to be free of anxieties."  
~1 Corinthians 7:32***

How much anxiety do we bring upon ourselves by constantly worrying about not having enough or attaining more things? God won't necessarily give you everything you want, but He will provide everything you need. Try this—use the word "pray" instead of the word "worry" in the future. Then pray for things instead of worrying about them.

During these times of pandemic, you may enjoy the convenience of giving to St. Christopher's online. It's safe and secure, and you decide exactly when your gift is made and where it goes. Most of us are quiet people who desire to live a good and holy life, promote the values and mission of the Gospel as best we can and desire to one day inherit the surprise of life eternal God promises to us. We are not trail blazers. We are simple people who want to do the simple things of life well. But there are others who left a more profound impact along the way of the paths they walked. Folks like Dorothy Day, Martin Luther King, Thomas Merton, Gandhi, St. Teresa of Calcutta, and many others left lasting impacts and legacies. Like Moses, they show us by word and deed who God is and what integrity and a purpose driven life look like. They show us how to be holy. We need Moses people like these to give us inspiration, hope and an example of holy living.

We do not need to do what they did or even mirror their relationship with God. Each one of us is God's special creation, with a purpose and soul known only to us. We need to learn how to open up and bring, without compromise, our soul-ness to life. We know when someone is authentic and centered because they always point to truth, even though they struggle and sin themselves, and they embody an unspoken timeless wisdom that just sounds and feels right. Jesus taught with this same type of authority and it astonished many who listened. We do not need to move mountains, advance a cause, write books or become notable. All we have to do is become credible witnesses of the faith we profess. Moses people can teach us how to do this.

St. Oscar Romero was an amazing man and a Moses figure for sure. He saw God in the burning bush and brought the flame of Gospel faith to the poorest of the poor, challenging the evils of the society in which he lived. He was tireless and persistent. He must have gotten very close to the problem because it cost him his life. He suspected it would. St. Romero said, "When we leave Mass, we ought to go out the way Moses descended Mt Sinai: with his face shining, with his heart brave and strong to face the world's difficulties." We can learn from this wisdom. If we allow the power of the Mass to truly transform us, we will leave that holy encounter changed. Our face will shine, and we will have courage. We can then bring what we have received to life's challenges. That sounds doable, doesn't it? Because of the example of our simple holiness, people will be amazed.

## REFLECT

### FIRST READING

Moses taught the Israelites that God would send prophets to assist them in knowing His will. Why do you think people so often reject the prophetic message?

### SECOND READING

Paul speaks of the inevitability of anxiety in life. How does your faith assist you in handling what makes you anxious?

### GOSPEL READING

In the story of the healing of a demon-possessed man, Mark reports how the demons knew Jesus' true identity as "the Holy One of God." What does this reveal about the unseen order?
