Parishioner Question: What is the difference between a Catholic Bible and Non-Catholic Bible? Isn't there just one Bible?

Answer: The Catholic Bible has 7 books not found in the Protestant Bible. These books are 1 & 2 Maccabees, Judith, Tobit, Baruch, Sirach, and Wisdom. Ester and Daniel are also more expounded. We all had the same Bible until the reformation. It was at this time that the Bible was reexamined those involved in the Reformation and these books were found problematic and were removed going forward. Even within Catholic Bibles you can find a variety of translation, which is why two people may have a Catholic Bibles but a verse isn't the same wording in each.

Do you have a question about your Catholic faith that you have always wanted to ask? This is your chance.

We'd love to hear from you!
