**Catechism Stop**

**Question:** Why is it so important that we register in a parish? Isn't it good enough that we go to Mass?

**Answer:** Registration is the official way we join a parish community. Many people think that because they attend a particular parish they automatically belong. At times, young adults who have moved away for years think they are still signed up under their parents. But membership requires signing up, formally enrolling yourself in a parish. Registration is a commitment to a community, a way to be included in the religious, social, and ministerial activities of your parish. Your registration affects the parish in many ways. Census numbers can determine how many priests are assigned to a church, what benefits and obligations the community has to the diocese, and how Masses, Confessions, and devotions are planned and scheduled.

Registration shows you belong. It is also necessary for certain benefits, like scheduling sacraments, obtaining sponsor certificates, and getting donation statements for taxes. Most importantly, it lets the parish count on you, to call on you to assist in its mission. Registering in your parish is a statement of faith and confidence in the life and work of your parish. ©LPi

**SURVIVORS OF SUICIDE LOSS SUPPORT GROUP MEETING**

Companions in Hope: Have you lost a loved one to suicide or know of someone who has? Come join us the 3<sup>rd</sup> Sunday of each month. Our next meeting is September 19<sup>th</sup> at 6:00 PM in St. Francis Room at St. Joseph Church York. There is perhaps nothing more painful in the world than for us to lose a loved one to suicide. For a time, it seems that the pain is unending. As companions we accompany each other in a setting where free expression of grief is acceptable, confidentiality is observed, and compassion and non-judgmental attitudes prevail as we encounter Divine Mercy.
