A Message From The Archdiocese

In the light of spiking numbers of new COVID cases and the likely increase in those numbers in the upcoming holiday season, Cardinal Seán is mandating that throughout the archdiocese all people attending public Masses,

including weddings and funerals, wear masks. This mandate took effect the weekend of December 18/19, 2021, and expires on January 17, 2022.

Mass celebrants, deacons, readers, servers, choir members, and instrumentalists, should all wear masks except when they are speaking.

Children under the age of five are not required to wear masks. Children under the age of two should not wear masks.

Thank you for the Giving Tree Donations!

We,
once again,
appreciate the
generosity of our
Collaborate parishioners of
St. Albert the Great & St. Francis Xavier.
You provided a lot of joy for families in our
community!

December 26, 2021 ~ The Holy Family of Jesus, Mary, and Joseph ~ Gospel Meditation

Families can be very difficult things to negotiate. This is true not only of our families of origin, the current family of which we are a part, the family of our Church, our society, and our global family as well. Everything human can be found in family stories. Those stories speak of wonderful life-giving successes as well as painful spirit-robbing abuses. Our greatest joys and our greatest wounds are usually connected with the experience of family. Our needs, experiences, and unresolved baggage often color what we bring to our familiar relationships. They contribute to our level of defensiveness, how guarded and protected we become, and what prejudices we believe.

In order to break the cycle of dysfunction we have to remember that it is not only by human effort that we negotiate the difficult and challenging events of our lives. There is a Divine Effort at work as well. For sure, the human effort can create quite a mess and easily destroy lives. This is true of any family with which we are associated. Today's Feast of the Holy Family serves to help us understand that there is a Divine Story being told as well. It is a story of perseverance in the face of hardship, determination in the face of despair, healing when we see nothing but wounds, and light where there is darkness.

Do we believe that God is always working, guiding, restoring, and leading? Unless we do, we will never be free from the imperfections and wounds that bind us and never be able to understand what it really means to forgive. Pope Francis tells us that the "light which comes from the Holy Family encourages us to offer human warmth to other families." While this is most certainly true, we can only really begin to do this when we realize that we are still works in progress, not anchored to the wounds and sins of our past, and still a leading star in God's continually unfolding story of love. The Holy Family persevered and radiated warmth because they knew they were not alone. We can too.
