LIVE THE LITURGY

Inspiration for the week

What makes a person wise and intelligent? Certainly it is not the ability to memorize facts or minute details about a situation. What makes a person wise and intelligent is when their words and actions harmoniously unite and produce virtue. A person can know many facts and even do the right actions but still have a grave flaw in their character. We sometimes want to delude ourselves into thinking that as long as we are "doing" everything correctly, we are automatically in right relationship with all. Such is sadly not the case in the kingdom of God. We are called not to be just hearers of the Word, but doers as well. That means getting to the heart of what laws and rituals are meant to signify and nurture. If we do not bring the actions home, where they belong, and allow them to speak of the goodness, mercy, compassion, and love of God, then they are simply empty worthless gestures. Welcome the Word that has been planted within you so that you can be a truly wise and intelligent disciple of Jesus Christ.

*"Hear me, all
of you, and
understand."*
