Catholic Schools Week 2023 begins

Sunday, January 29

National Catholic Schools Week is the annual celebration of Catholic education in the United States. Schools typically observe National Catholic Schools Week with Masses, and other activities for students, families, parishioners, and community members. Through these events, schools focus on the value Catholic education provides to young people and its contributions to our church, our communities, and our nation.

JANUARY 28-29

Bishop Becker #2856, will be collecting donations before and after all Masses benefitting Special Olympics Polar Bear Plunge in Rehoboth on February 5th. For the past 27 years, thousands of plungers have jumped into the icy waters all in support of Special Olympics.

Your dedication to our 4,340 athletes is impactful and has created countless inclusion experiences across the state. Help us reach our goal of \$3.5 million this year by being as generous as possible.
