### **Priesthood Sunday Sept. 25**

Priesthood Sunday is a national observance which was inaugurated in 2002. A time each year to express appreciation and gratitude to all the priests who have served God's people.

It is a way to allow Catholics to recognize good priests who do an outstanding job serving in parishes across America.

The focus is on the place of the priesthood as a central reality in the life of the Church. The shortage of vocations makes priests less visible and, consequently, less prominent.

### **Recovery Sunday September 25**

Recovery Sunday is a national day of prayer during the month of September for those troubled with - and in recovery from - addictive illnesses.

It is a reminder of the plight of those dealing daily with addiction and recovery issues, and those who love and support them on the difficult journey to healing.

It is an opportunity to recall the true meaning of freedom, as material abundance and spiritual emptiness too often lead to addictive behaviors. Most importantly, the observance is a powerful vehicle for prayer for families and communities in need.
