

June 27, 2021 Thirteenth Sunday in Ordinary Time

CHRIST  
THE KING

CHRIST THE KING *fosters* a transformative parish culture that INSPIRES AND CHALLENGES Catholics of all ages to lead a life of prayer, service, and stewardship in imitation of Christ. In so doing, this faith-filled parish family aims to become an example of how a 21st Century Christian community can inspire others to follow Jesus.

## Quotes of the Week

"I want to write a longer piece about those bishops who seek to keep some from the table of Christ, but for now I will say this: it is not your table (nor mine). Bishops, priests, etc. are neither the hosts nor the bouncers nor the ones who wrote the guest list. The Eucharist is the resurrected body of Christ given for the life of the world. Jesus Christ is the one who invites the guests ("all you who labor"); he is the host of those who come; he is the setter of the table; and he is the feast which is shared ("Take this, all of you . . . this is my body, this is my blood"). We are guests at the meal, and sometimes (by his calling) servers. So stay in your lane, please. The wait staff doesn't get to exclude those who want to come. If you don't like the company Christ calls (and, admittedly, it is a rag tag bunch of sinners, one and all), it's you who need to leave the table, not them."

- Rev. John D. Whitney, S.J. via Facebook. June 20, 2021.

"The Eucharist...will inevitably become a tool in the vicious partisan turmoil that roils our nation. It will be impossible to prevent the weaponization of the Eucharist in partisan battles."

- Bishop Robert McElroy. "San Diego's bishop opposes 'partisan' Catholic effort to admonish Biden over abortion." *Times of San Diego*. June 19, 2021.

"To pursue a blanket denial of the Holy Eucharist to certain elected officials would indeed grieve the Holy Spirit and deny the evolution of that individual, a Christian person who is never perfect, but living in the struggle to get there."

Statement of Principles, signed by a group of 60 Catholic Democrats who serve in the U.S. House of Representatives, including James Langevin of RI.

"Many Catholics are deeply concerned about how the church's unity has been wounded by pro-choice Catholic politicians' behaving as if support for legal abortion presented no problems. Many are also deeply concerned that the U.S. church's focus on abortion has distorted the church's teaching, leading many to hear bishops, priests and pro-life Catholic activists as speaking more in defense of the G.O.P. than the Gospel. And lest this concern be dismissed out of hand, remember that the 2020 election cycle was marked by vituperative attacks on the very idea that a Catholic could vote for, or even be, a Democrat."

Sam Sawyer, S.J. "Catholics are talking past each other in the Biden-Communion debate." *America*. June 22, 2021

"What we witnessed last week at the U.S. Conference of Catholic Bishops' spring meeting was outrageous. As mentioned in my last column, bishops questioned each other's motives without any objection from the chair. Bishops argued that this push to draft a document on the Eucharist was not motivated by politics, but then had to acknowledge that the idea came from a working group formed to cope with the Biden administration. And, in what would appear funny were it not so tragic, every time the principals in the effort to draft the document explained that they were not motivated by politics, that this effort was not directed at any one individual, one of the culture warrior backbenchers would get up and mention President Joe Biden by name..."

"Does the leadership of the U.S. bishops' conference understand that there was no synodality last week at their meeting? No discernment of the Holy Spirit? The meeting, instead, resembled a high school-level debating society. It is too depressing. And it is not likely to change anytime soon."

Michael Sean Winters, "The collapse of the US bishops' conference." *National Catholic Reporter*. June 21, 2021.

"Dear [U.S. Conference of Catholic Bishops]: I'm Catholic and you are hypocrites. You did not tell [former U.S. Attorney General] Bill Barr, a Catholic, not to take communion when he expanded killing human beings with the death penalty. You are being nakedly partisan and you should be ashamed. Another reason you are losing membership..."

"You should be deeply ashamed for politically weaponizing the sacred sacrament of Communion."

- U.S. Congressman Ted Lieu of California. Twitter. June 18, 2021.

"For the most part, especially in the wake of priest sex-abuse scandals, American bishops no longer enjoy positions of prestige as community leaders, teachers, or shepherds of their flocks. Having failed to persuade their congregations about abortion—nearly seventy per cent of American Catholics don't want Roe V. Wade to be overturned—traditionalist bishops have joined forces with hard-charging Republican legislators and legal theorists funded by the corporate right, making freedom of religion the linchpin in conservative grievances about gay rights, federally organized health care, and restrictions on campaign donations and political advocacy."

Paul Elie, senior fellow at Georgetown University's Berkley Center for Religion, Peace, and World Affairs.

"The Catholic bishops' brawl over denying Joe Biden Communion." *The New Yorker*. June 22, 2021.

## REFLECTION

The author of The Cloud of Unknowing prays, “That which I am and the way that I am, with all my gifts of nature and grace, you have given to me, O Lord, and you are all this. I offer it all to you, principally to praise you and to help my fellow Christians and myself.” Knowing that God sustains us in being is the key to faith. All that we need to do is to love God as God is and the rest will begin to fall into place. God made us in His image and desires that we have life. God also desires that we be healed of all of our wounds, especially those caused by sin, and know his loving touch. Being weighed down by negativity, imperfections, the cares of the world, and weakness is not something that God desires.

Faith can profoundly change how we see God, ourselves, and one another. It gives a clearer lens through which to see life and connects us with the powerful virtues of love and hope. Three friends journeying with us through all that we encounter, faith, hope, and love, help us experience God’s embrace and heal us. All we have to do is let God be who God is and not foolishly try to make Him into what we need or want Him to be. Without God we cease to be. It’s that simple. The very blood that flows through my veins and the life that I have come directly from Divine origins. With this knowledge of who God is and who I am, I can open my ears and hear the powerful words Jesus speaks, “Do not be afraid, just have faith.” Trust begins.

When we are struggling, we naturally reach out for God because we know that a divine remedy is the only remedy. But, in doing so we wrestle with letting God take charge. We want something more miraculous and visible than the obvious and have difficulty in finding consolation simply resting in God’s presence. Our naked being, stripped of any pretense or self-serving agenda, is being called to rest in and love the uncreated Presence of God. Reach out in love to God. Ask God to heal you from all that separates you from Him. Put aside any ideas of God that create barriers between you and God’s tender and endearing presence. The Cloud of Unknowing leaves us with wisdom, “think of yourself and of him in the same way, that is, with the simple awareness that he is as he is and that you are as you are.” This is a meeting of two friends who desire nothing more than to share life together.

## INSPIRATION FOR THE WEEK

“Do not be afraid, just have faith.” God does not rejoice in our demise or our destruction. Rather, He made us in his image and desires that we have life. He also desires that we be healed and know His loving touch. There is great power in an embrace offered in love. The touch of another can heal wounds and restore life. There is also power in faith. Faith can turn us toward the truth and turn us toward God. Both love and faith can lead us to hope that no matter what we encounter, God will continue to sustain us in being. He will not allow us to perish. God can profoundly change how we see Him, ourselves, and one another. God desires that we turn toward Him and be healed of all that wounds and binds us so that we can be free and enjoy the fullness of life. We are asked to arise and walk proudly with this life-giving faith. Reach out and share this faith with someone this week so that they too can receive God’s life changing embrace and heed His call to wholeness. There are many in our world wandering around aimlessly without hope. Bring it to them.

## FRIENDLY VISITOR MESSAGE

Now that summer is here, routines change for many people. These changes can be a great break in the routines of the rest of the year, but when you are pretty much homebound, then the change may not so welcomed. This is a good time to see how the visits of a Friendly Visitor can add some new excitement to your day. Someone to stop by and visit, or if you wish, the contact can be by way of a phone call. This can be a nice change of routine, and a chance to share conversation. Call Bonnie Feeney at 391-9460 to set up a visit.

## ANNUAL PARISH OUTREACH

As God's people, we believe that you can't count your blessings without sharing them. This is why the parish dedicates a portion of our income each year to helping charities and agencies in our community that help those who are in need. Our financial support helps worthy not-for-profit organizations whose mission is rooted in the Gospel and consistent with the Catholic tradition. We are now preparing to set aside next year's funds, and we are asking for your help. Parishioners are invited to nominate non-profit agencies that provide food, shelter, clothing, or medicine to the poor. Charities that are nominated are fully vetted by the Stewardship Committee and Diocesan Social Ministry Office, then referred to the Finance Council. If you would like to nominate a charity, see the guidelines below.

1. The agency must be not-for-profit, and its goals and methods must be consistent with the mission of the Gospel and consistent with Catholic tradition.
2. The agency should be responding directly to the clearly identified primary needs of the individuals: food, shelter, clothing, and medicine.
3. There must be a demonstrated management structure in place to administer and oversee the use of funds.
4. The majority of funds will support local and state agencies, but national and international agencies will also be considered.
5. Nomination forms are available at the church entrances. Only completed nomination forms will be accepted and reviewed for consideration.

For more information, contact the parish office or Paul McConnell, our Stewardship Committee Chairperson, at [pmcconnell@fiimarketing.com](mailto:pmcconnell@fiimarketing.com)
